## ***Thank you for being part of our 2014 "Aumsville Saturday Market!"***

Here are some guidelines that will help make everything run smoothly:

**Set up** begins at 7am and you should have your booth setup and all vehicles removed by 8:30am (see vendor parking below)

**Space Location:** Please check in with the event coordinators as soon as you arrive and they will let you know where your assigned spot is located.

**Vendor Parking:** One of the issues that we deal with at this location is the lack of close parking for our customers without having to walk more than a block. I have gotten permission from Ryan Woodward for you, our vendors, to park in front of their business, Woodward Heating. There are about 8 spaces there on Main St. and more on the back side of the business. Once you have unloaded, please park at Woodward's, or at least a block away, this will open up the parking on the streets around the market area. We appreciate your cooperation.

**No Early Teardown:** Please do not tear down before 3pm. No vehicles will be allowed into the market area to load until 3:01pm. We have advertised that booths will be open until 3pm and need to make sure that we honor that.

**Advertising:** Our events will be promoted through signs, flyers, social media, local newspapers and radio stations, staytonevents.com and Craigslist. Please tell everyone you know and share on your Facebook page. This year we have a Facebook page specifically for the Saturday Market, look us up!
