OLD BUSINESS: NONE

NEW BUSINESS:

CA Harding explained that the ordinance amendments of Ord. 405 and 505, to allow the terms of the Corn Festival Memorandum of Understanding (MOU), are based on the requests of Council at a previous meeting. He stated that the City Attorney reviewed the ordinance as well as the MOU and made changes that he felt were necessary, focusing mainly on indemnity. He pointed out that, in their packets, they also have a copy of the executed contract for the use of the property north of Porter-Boone Park.

Council discussed the MOU and made the following suggested edits:

- "The City" item #5; Change the wording from 'service dogs' to 'service animals.'
- "The Corn Festival" item #8; the word 'train' should be 'trained.'
- Item #9 "Beer garden confinement" – change the wording from 'one entry point to 'a single-entry and exit point.'
- Item #11 repetitive wording; delete the second \$2,000,000. Purdy asked for clarification of the insurance amount and it was discussed.
- Item #14 at the beginning of the sentence 'AFC' should be 'ACF.'
- Bottom of page 3 'order the closer' should be 'order the closure.'

Mayor Clevenger read by title only No. 668 AN ORDINANCE AMENDING THE SECTIONS OF ORDINANCES 405 AND 505 REGULATING THE CONSUMPTION OF ALCOHOLIC BEVERAGES IN CITY PARKS AND PUBLIC PLACES. Councilor Casarez moved to approve the first reading of Ordinance No. 668 as presented. Councilor Ceja seconded. Motion APPROVED 5-2: (Yes: Bedwell, Clevenger, Casarez, Case, and Ceja. No: Purdy and Seney).

CA Harding requested that Council move the second reading and adoption of the ordinance to the next meeting. He explained that, based on our City Charter, the next step is that when the vote is not unanimous it goes onto the next meeting agenda for the second reading and adoption. He added that because there are edits to the MOU it would be better to adopt the ordinance changes and the corrected MOU at the next meeting.

CITY ADMINISTRATOR'S REPORT:

CA Harding reported that Public Works staff have been busy with Main Street beautification. They have hung flower baskets and flags. They have also done some cleaning at the skate park for better visibility. He announced that the summer events have started. We kicked off the season with a Movie-in-the-Park on June 15th, followed by the first Friday Kid's on June 21st. We are gearing up for the Super Hero Carnival that is scheduled for June 29th. He stated that we have about 12 businesses and agencies participating this year. It should be a fun event for all.

CA Harding reported the Vision Committee has been meeting once a month. He stated that they will have a couple more meetings then he will compile the information they've gathered. He will take it back to the committee and, once they sign off on it, it will come to Council for review. We conduct some community-wide open houses to get the community involved in the process as well.

CA Harding announced that we have hired RYANNE CROWTHER to fill our Office Assistant position at City Hall.
