STAFF REPORT

TO: City of Aumsville City Council

FROM: Ron Harding, City administrator

SUBJECT: Approve event agreement with Caakes Unlimited to host a skate competition event in Mill Creek Park on August 20th, 2021.

RECOMMENDATION: Approve the event agreement as presented.

BACKGROUND:

Council expressed support to host a skate competition as part of the Corn Festival celebration. City staff really has no additional capacity to organize such an event at this late date. Council directed staff to find a third party who may be willing to host the event. Mayor Clevenger contacted Caakes Unltd. and they agreed to host the event. This works out better for everyone as they understand the skate industry and would be more successful in executing an event on short notice. The city would agree to support the event with \$500.00 cash to assist in cost of the event. Staff will not be available for any setup or working of the skate event as they will be busy setting up for Party in the Park and Corn Festival.

As with any event with a third party we must have the parties sign and limited liability event agreement. I put this together on short notice and had CIS review and provide feedback. Caakes will also have participants sign a waiver to take part in the event.

MOTION:

- Move to accept the agreement for Caakes Unltd. to host a skate competition in Mill Creek Park on August 20th, 2021.
- Move to accept the agreement for Caakes Unltd. to host a skate competition in Mill Creek Park on August 20th, 2021 as modified by:
- Move to remand back to staff for revisions as directed.

Grant Selection Committee,

The Aumsville City Council supports the application for the Planning Assistance Grant for a Housing Needs Analysis. We feel the city has a need for additional land for residential growth. We understand that the first step in determining this is a housing needs analysis. Based on Portland State University's Oregon Population Forecast Program, the City of Aumsville has one of the highest annual growth rates in Marion County and is projected to continue to grow. Between 2020-2045 Aumsville is projected to have a 2% AAGR. It is important to Council to plan for this growth by determining the projected number of housing units needed and identifying our current surpluses and deficits in land to meet those needs.

On the north and south boundaries of our UGB we have flood zones. We have experienced flooding in parts of town within the past 20 years. As a result of this, it's important to do the planning to address how these areas could also impact growth and the safety of our community.

We have discussed these needs and resolved to hire a consultant to assess our buildable lands, do a housing needs analysis, and assist us with the work needed to do a UGB expansion as a result of those assessments. We budgeted money towards this project in our 2021-22 budget to be used as match for this grant. We've also agreed to contract with the MWVCOG for this work.

We ask that you consider our application for the Planning Assistance Housing Needs Analysis grant.

Thank you,

City of Aumsville July 2021 Monthly Police Report

DEPARTMENT MESSAGE:

The reserves worked a total of 75 hours during the month of July 75 volunteer hours and 0 paid hours.

Due to an issue with illegal fireworks on the 4th, a field was caught on fire and the Fire Dept. had to be summoned to put it out. The individual responsible for the fire was cited for Reckless Burning and Possession of Illegal Fireworks, both a Misdemeanor crime.

Officer Greene resigned in July to take a Police Officer position with the City of Salem. We wish him well and are currently accepting applications for his replacement. We are giving preference to Bi-Lingual and/or Lateral Officers. Applications are available on-line at the City's Website.

With the continued high temperatures we have been experiencing this summer, the Aumsville Police Department would like to remind all citizens of a few safety tips you can use to remain safe and healthy: Dress light and in loose fitting clothing, Stay hydrated by drinking water, not soda or sugared drinks, Use sunscreen even on overcast days the UV rays can damage skin, if you feel overheated, take a cool shower or bath, and if possible, stay indoors or in areas that are air-condition. Be safe and check on family members to make sure they are safe as well.
