Earlier this year, a piece of a tombstone was found partially buried in a ditch embankment some distance from Aumsville. The engraving read "wife of W.H. Smith died Mar. 4, 1888". A Marion County Public Works representative contacted Aumsville Historical Society for assistance in making an identification. The irony is that the fragment came from Aumsville Cemetery. No one knows when it disappeared from the cemetery or how it got to the

rural location. The broken parts are now resting together in Aumsville Cemetery.

Mrs. William Henry Smith was born Melina Taylor about 1848 in Missouri. In 1850, when she was about two years old, her family was farming near Sublimity. She married William H. in 1866 and they had numerous children. He was born in Missouri and his family also came to Marion County before 1850. In 1900, the widowed William and his elderly widowed mother Susan lived with William and Melina's eldest son John Alva Smith.

The Oregon Historical Society was organized in 1898. One of its functions is the publication of the Oregon Historical Quarterly, a journal devoted to various aspects of Oregon's growth. Over the years, OHQ has provided details

about the development of agriculture, commerce, transportation and other facets of life. Issues do not have current-day stories or advertising. The early settlers had to pull themselves up by the bootstraps. They arrived weary from their trip and were not able to bring many belongings with them. In Oregon there were no sources of supplies or skilled workmen to provide labor. AHS is happy to say that it continues to receive donations of the back issues.

The museum will be open from 11 am to 2 pm every Saturday in August. Visits can also be made by appointment. Please phone Ted Shepard at 503-749-2744 for details.

Good Day, neighbor!

Due to lack of applicants to fill the Fire Chief position, along with the sudden vacancy of the Training Officer position, I am working back as your Fire Chief until the position is filled. Temporary full-time appointments are being made within the department to cover the hours. We anticipate that the Board of Directors will find a suitable candidate for this position soon!

The Independence Day holiday was not without its challenges this year. The Fire District responded to several calls including the obviously visible arborvitae hedge that burned along Mill Creek Road. While we did have some cases of both errant fireworks as well as carelessness, I do appreciate the majority of you who had water hoses handy and took the time to wet down the area around your party when you were finished.

This is shaping up to be a very dry month. Please use

caution with any flame-producing devices, BBQs, outdoor cooking, etc. You may have noticed the new Fire Danger signs at both the Aumsville and Shaw stations. These risk indices are based on information provided each day by the Oregon Department of Forestry. Therefore, what is on our signs may not exactly reflect what you are seeing outdoors in your neighborhood. For example, it may be raining here in Aumsville, but extremely dry in the region, so our fire danger signs may read "High" even in the rain.

WE NEED VOLUNTEERS! If you, or anyone you know, or even the person you don't like, or your brother-in-law's cousin etc, has a few hours available each week to serve their community, the Aumsville Fire District is the perfect place to do that! Please stop in and talk to us.

Stay safe, my friends.

Roy Hari, Fire Chief

DEPARTMENT MESSAGE:

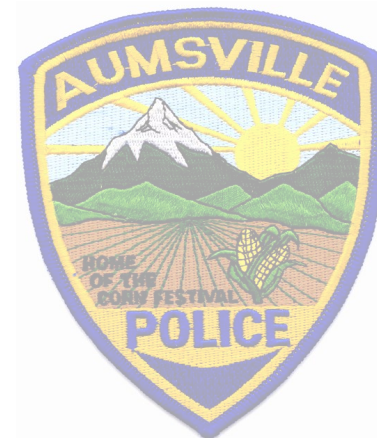

June 7th we had the 5th grade students in the PD for a field trip. They were able to take a tour of the PD and patrol cars and have a short question answer session.

June 9th was the Aumsville Elementary School Bike Rodeo. K-2nd grade got an obstacle course to run through in the north parking lot. The 3rd through 5th graders were able to go on a short bike ride around town, escorted by the police department.

June 9th was the awards lunch with Chief Flowers and Chief Hari at the Aumsville Rural Fire Department. The lunch was awarded to the student that raised the most money for their school event.

June 14th we held interviews again for our final open police officer position. We currently have one applicant in backgrounds for that position.

June 24th was the Superhero Carnival. Officer Taylor Mack was in his department uniform, Officer Angela Robinson was Captain Marvel, Officer Jeff Keniston was Mr. Incredible, and Chief Damian Flowers was Batman. This was another successful event and there were more attendees fully dressed up as their favorite superhero.

Council present voted unanimously in favor of the motion. Motion passed.

NEW BUSINESS: a) Resolution 9-23 – A Resolution Establishing Updated City Service Fees and Public Records/Information Request Policy

b) Resolution 10-23 – A Resolution Authorizing a Loan from the Special Public Works Fund of the Oregon Business Development Department for the Construction of the Public Works Shop Building

c) CA Harding stated Staff would like to add funds to the previous contract amount with Westech Engineering for construction management services. This year, Caakes was unable to hold the competition. Staff investigated different ideas and found a company called Traveling Wheelz, which hosts inline and roller-skating events.

Motion passed. City of Aumsville Council Meeting Minutes June 26, 2023

CITY ADMINISTRATOR REPORT: CA Harding shared with Council the Superhero Carnival event had just been completed. He said it was well attended, and he appreciated the volunteers who helped. It was busy most of the time, and lots of prizes were given away. Many new games were added, and he feels the capacity to grow that event is there. There were fewer businesses involved than last year.

Corn Festival planning is moving along. Mayor Ceja has been working closely with G-3, and the logistics are coming together. This is the 55th anniversary of Corn Festival, and there are custom-made t-shirts for this year's event. The title of the skating event is "Rolling to Corn Fest". "Music on Main" is the title for the street dance.

Cascade Family Resource Center (CFRC) has asked for the City's help in garnering donations of school supplies. They will provide backpacks with school supplies to families in need. The City has done this in the past as part of the summer program, which was paid for by a grant. That grant went away a few years ago. CA Harding coordinated with the volunteers and asked if they'd be willing to participate in the school supply donation program, which they would. Staff is recommending a donation out of Fund 36-Investing in Families and Children Fund of \$500-1,000. It would go to Cascade School District for the CFRC to help purchase school supplies. It would be easier for Staff if the City donated money rather than go out to purchase supplies.

Councilor Seney moved to send \$1,000 donation to the Cascade Resource team. Councilor Casarez seconded. Council present voted unanimously in favor of the motion. Motion passed.

CA Harding brought up sewer funding. Staff had submitted a grant application for \$15,000,000. The Legislative Session just ended last week, and the City was awarded a \$5,000,000 grant. Staff was able to have a sit-down with the Governor last week, which went well. The Governor was interested [to hear] the City's challenges and possibly aid in filling some of the gaps. Mayor Ceja said it would be some time before the [grant] money was received by the City. CA Harding said the next question is how the City will move forward. He believes the City will have to decide the funding path in the next 30 days, and start initiating that process. By October, the City will have to let the United States Department of Agriculture (USDA) know we will take a certain amount of funding from them.

MAYOR/COUNCIL REPORTS AND INITIATIVES: Mayor Ceja said she was at Saturday Market and Superhero Carnival. She tries to go to Saturday Market a few times during the summer and encouraged Council to show up as well.

Mayor Ceja adjourned the meeting without prejudice at 8:26PM.
