City of Aumsville  
 595 Main St.  
 Aumsville, OR 97325

# City Employee of the Year!

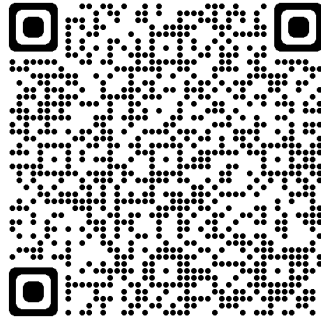

At the January 23th Council meeting Tasha Preston, Officer Wright and Reserve Officer Kosel were awarded Employee of the Year Awards.

All of these people have dedicated a lot of time and energy into this city. Thank you for all you do!

# Did you know that you could pay your Water and Sewer bill online?

Follow this QR code to pay online or go to [Aumsville.us](http://Aumsville.us)

When the form asks for your address, enter just the numbers. For example: 595 Main Street. You would only enter 595 for the address.

## Budget Committee Needs You!

Have you always wanted to serve your community but not for an entire three year term? Well, here's your chance! The budget committee meets only a few times between April and June.

**No previous experience is necessary.** We invite adult members of the city to serve a three-year term for 2023-2025. One position is a mid-term vacancy, the term for which will expire at the end of 2024. To qualify for either position, you must reside within the city and not already be a city official or employee.

The budget process begins in April and consists of weekly, as-needed meetings beginning at 7:00 PM. If you are interested, please submit an application to the Aumsville City Council at 595 Main Street, 97325 or at [Aumsville.us](http://Aumsville.us).

### PUBLIC NOTICE

#### APPENDIX D

#### REQUEST FOR PROPOSALS

#### Invitation to Propose

Pursuant to ORS 279B.060, governing competitive sealed proposals, the City of Aumsville (City) is conducting a formal selection procedure to procure proposals from Instrument and Control Consultants to provide ongoing services related to the City's municipal utility infrastructure. The City plans to award to the highest ranked proposer selected from those Proposers submitting proposals.

Sealed responses marked "Proposal for System Integrator of Record" will be received on behalf of the City of Aumsville ("Owner"), by Christopher J.

Brugato, P.E. City Engineer, of Westech Engineering, Inc. at 3841 Fairview Industrial Drive SE, Suite 100, Salem, Oregon 97302-1192, until solicitation closing at 2:00 p.m. local time on February 23, 2023. Responses received after this time will be rejected as non-responsive. Proposers shall submit their proposals in an email transmission to [cbrugato@westech-eng.com](mailto:cbrugato@westech-eng.com) at Westech Engineering, Inc. Faxed proposals will be rejected as non-responsive.

In accordance with ORS 279B.060(6), the content of each proposal will not be available for inspection until after the notice of intent to award the Proposal is issued.

The City is requesting proposals from System Integrator

consultants to provide system integration and programming services as the City's System Integrator of Record.

Copies of the complete Request for Proposals package may be secured by submitting an email to Westech Engineering at the email address listed above. All questions concerning the proposal or scope of work should be directed to Christopher J. Brugato, P.E. City Engineer, Westech Engineering, Inc., (503) 585-2474. No prequalification of proposers is required.

## Aumsville Historical Society News

On December 13th the city hosted the dedication of Aumsville's Veterans Memorial. Following the ceremony, attendees were invited to the museum, which has an interesting assortment of military memorabilia and print information.

The earliest item is a map of Oregon Territory's Military Roads, camps and forts, but the emphasis is on local veterans. There is an up to date list of Cascade High students and

graduates who have military service. Oklahoma resident, Lenore Keudell Patterson, class of 1953, spent twelve years in the US Army. She visited Aumsville in August 2009 and subsequently donated her uniform to the newly established museum. She came to the museum several years ago to see the display.

Two well-remembered Aumsville veterans are the late Clarence Scott and Ted Cupp. Clarence (1926-2016) was a submarine sailor in the Pacific for three years. He became the president of the US Submarine Veterans of WWII, a service organization devoted to keeping the survivors in touch with each other. Ted Cupp (1925-2018) served three years in the Pacific aboard the aircraft carrier USS Enterprise CV 6. In the 1980's, Ted's son Keith served aboard the nuclear

powered USS Enterprise CVN 65. In 2012, the latter was decommissioned in Norfolk, Virginia. Both Cupps were present at the ceremony.

On Sunday, January 8th members and guests enjoyed a potluck dinner in the community center. Due to the pandemic, it was the first AHS social gathering in several years. The next meeting will be held on Thursday, February 9th in the community center. Refreshments will be offered before the 6:30 pm meeting. A program about ghost towns of Oregon will be presented by Diana Wullert and Ted Shepard.

To visit the museum by appointment or to make other inquiries about AHS, please phone Ted Shepard at 503-749-2744.

Good Day, neighbor!

## WE NEED Volunteer Firefighters!

The Fire District, like most volunteer fire departments across the nation, is in serious need of your help. This is not an Aumsville problem, it's a generational norm. With few exceptions, almost every agency, service club, or community group is struggling with numbers of willing participants. But no group is more important to the community than the volunteer fire department, without which lives and property are put at risk, insurance rates increase, and community pride suffers. There

are alternatives, which can be costly and not as effective. Those options include paid firefighters, which would be very limited in number compared to the numbers of volunteers, entering into service agreements with neighboring departments, who suffer with numbers as much as we do, or private contracts which can be very expensive.

None of these options is as appealing as an adequate group of local volunteers. That's where you come in. If you, or someone you know, has ever entertained the thought of engaging in emergency services for your community, we welcome you! Please, please drop by the main station and chat with anyone here about the value of belonging to your local Fire District!

Enjoy the wet weather while it's upon us! Now is the time to get your fall/winter storm cleanup

piles burned if you intend to do that. Every year folks wait until things "dry out" and all of a sudden, the burn ban is in effect. Put a tarp on your burn pile now so it's ready to go the minute the rain stops!

February is jam packed with days offering different celebrations such as Mardi Gras, Groundhog day, Valentines day, and National Margarita day falls on February 23rd; but more importantly it is a month where we celebrate American Heart Month, Burn Awareness Week (February 5-11), Congenital Heart Defect Awareness Week (February 7-14), National Children's Mental Health Week (February 5-11), and Women's Heart Week (February 1-7). Please consider a blood donation in honor of the month of February.

Stay safe my friends!

## State Representative Message

Friends,

Oregon's 82<sup>nd</sup> Legislative session is officially underway! It was a great honor to be sworn in as your representative. We were allowed to have one child on the floor with us during the swearing in ceremony, so I invited my goddaughter to join me. She took the oath of office along with me, so I'm not sure, but HD17 might have two representatives now!

I have the following committee assignments during this session:

- House Behavioral Health and Health Care Committee
- House Economic Development and Small Business Committee
- Joint Ways and Means – Human Services Subcommittee
- Joint Semiconductors Committee

We are facing a crisis in mental health, drug use, and homelessness. These are challenging, interrelated issues that we must tackle. In addition, Oregon is at an economic crossroads – our policies are stifling business growth and driving good businesses away. We need economic policies that work for all businesses in Oregon, not

just a select few. Plus, we must do a better job training the next generation workforce. I believe my committee assignments present an excellent opportunity to shape real, practical solutions.

My commitment to serve District 17 doesn't stop with these committees - high on my priority list is real school choice and reigning in the bloated administrative state that continues to erode our freedoms. My team and I are ready to get to work on behalf of the people of District 17!

If my office can be of any help to you, do not hesitate to contact us!

Ed Diehl

Representative,  
House District 17

**DEPARTMENT MESSAGE:**

The reserves worked a total of 40 hours during the month of December: 53 volunteer hours and 0 paid hours.

Officer Shane Bird was promoted to Sergeant on Dec. 2nd, 2022.

On December 10th, the Aumsville Police Department participated with other law enforcement agencies in Shop with a Cop. Kids in need in the Marion County area met agency Officers and Sheriff's Deputies at Target in Keizer to shop together.

The Police Department and Fire Department personnel, and volunteers, assisted Santa with handing out approximately 625 goodie bags to children throughout Aumsville as we made an appearance on almost every street in town. It was a prelude to the Christmas in the Park Event.

At the Christmas in the Park Event, we were able to capture the elusive Grinch that has been causing havoc around town. Luckily he had a change of heart and took responsibility for his grinchy actions.

Due to the generosity of our community, The Police Department Toy Drive was able to provide presents for 32 families and 86 kids in town.

## Used Appliances For Sale - Call for Selection

The following may not be complete minutes from these meetings. You can find the full approved minutes on our website at [www.aumsville.us/city-council](http://www.aumsville.us/city-council).

## December 12, 2022 Meeting Minutes

Councilor Ceja called the meeting to order at 7:00 PM. Present in-person were Councilors Casarez, Ceja, Lee, Seney and Wick. Council absent: Mayor Clevenger. Staff present: City Administrator (CA) Harding, City Clerk Rogers, and Office Specialist Brewster. The meeting was video recorded to be released later. VISITORS: There were 3 in-person visitors and no online attendees.

**PUBLIC COMMENT:** Katie Wallace, Aumsville Resident, on behalf of the Aumsville Exchange Club, thanked the council for supporting their Christmas Store event benefitting local families.

Council approved the November 14, 2022 city council meeting minutes as they were presented.

**PUBLIC HEARING:** Ordinance No. 711, Amendments to Ordinance No. 705, The Development Ordinance Councilor Ceja opened the Public Hearing at 7:06 PM.

CA Harding presented proposed changes to definitions, zone regulations and conditional uses associated with the legalization for marijuana and psilocybin related businesses. He reminded Council that the City of Aumsville voted to pass the measure banning those businesses. He gave a brief overview of the goals that Council has set to continuously improve the Development Ordinance. He noted the difference between Accessory Dwelling Units and Accessory Structures and why updating these definitions would benefit the city.

Within the Landscaping section, CA Harding explained the amendment regarding noticing neighbors within 100 ft of landscaping changes. He is

recommending removal of that for landscaping. The final change CA Harding noted was regarding ivy, as it is an invasive plant that staff no longer feels is appropriate under the Ordinance. Councilor Ceja asked if there were any public comments or testimony on the subject. There being none she closed the public hearing at 7:15 PM.

Council approved the first reading by title only of Ordinance No. 711, an ordinance amending Ordinance No. 705 the Development Ordinance as presented by staff. Council approved the second reading by title only and adopt Ordinance No. 711, an ordinance amending ordinance No. 705, the Development Ordinance as presented by staff.

**NEW BUSINESS:** CA Harding presented Ordinance No. 712, to extend the Pacific Power Franchise Agreement to December 31st, 2023. Councilor Angelica Ceja noted that staff has been very busy and need extra time to complete updates to the Franchise Agreement. There was no discussion and Councilor Ceja called for a motion. Council approved the first reading by title only of Ordinance No. 712 an Ordinance extending the franchise agreement granted to PacifiCorp DBA Pacific Power via Ordinance No. 619; declaring an emergency as presented by staff.

Council approved the second reading by title only and adopt Ordinance No. 712 an Ordinance extending the franchise granted to PacifiCorp DBA Pacific Power via Ordinance No. 619; declaring emergency as presented by staff. CA Harding presented background information on the addition the Preliminary Engineering Report (PER) of Environmental Proposal. He stated city staff has been

working on finding grants to fund the projects. USDA Grant Incentives would be an option because of the low to moderate income rates of Aumsville. CA Harding states the USDA Grant application requires more testing be done to meet the standards USDA has set; this would be a \$16,600.00 add on to the current contract.

Councilor Casarez asked what kind of testing would be involved. CA Harding stated it is determining floodplain maps, and treatment facilities with potential treatment plan designs that would be done in the design phase.

Councilor Ceja called for a motion. Council approved the new Not To Exceed fee of \$98,363.00 from Westech Engineering for the addition of Task 4 to the PER and Environmental Proposal as presented by staff.

**CITY ADMINISTRATOR REPORT:** CA Harding explained the contractor has finished insulating Maude's. Marion County wanted this finished now, rather than later in 2023, when it was originally planned. He told Council that the city can now receive a \$15,000.00 prosperity grant from a different agency because of this project being finished. The walls will be covered soon.

He finished his report by explaining there are two vacant Council positions, and we have two applications so far. Council will be able to appoint these positions at the January council meeting.

**CORRESPONDENCE:** Council received the Notice of preliminary population estimate of 4,212 people from Portland State University.

Councilor Ceja adjourned the meeting without prejudice at 7:37 PM.
