homeless are women, the average is 29%. This is higher than average and creates the need for services that address the specific needs of women. Simonka Place for Women and Children, in Keizer, is one of the local shelters where homeless women, and if they have children, can seek services. They can be reached at 503.362.7487.

Additionally, my fellow legislators and I had a wildfire season briefing from the Oregon Office of State Fire Marshal and the Oregon Department of Forestry. While we have experienced higher than normal rain falls this spring we are still on heightened alert for fires this season. To learn more on how best to protect your property visit <https://www.oregon.gov/odf/fire/pages/fireprevention.aspx>.

legislation in the next session. As Vice Chair of the House Behavioral Health Committee there are a few pieces of legislation that I have followed closely – the 988 implementations, M110, and the workforce investments. We will be receiving updates from OHA on these items as well as a status report of the state hospital. If you are interested in watching, links will be made available via OLIS prior to the meetings beginning June 1. Please visit <https://olis.oregonlegislature.gov>.

Hello -

Last year at this time I wrote to you “Spring is in the air...” This year I think that spring is waiting for the rain to cease and the sun to heat us up!

Today I attended a meeting addressing the needs of rural homelessness. It was a very interesting meeting and one of the most common causes for one to become homeless is due to the inability to pay rent. Easter Seals has a program that helps, the number to call is 503.587.7389. Another interesting aspect of the homeless population in our region is that just over 50% of the

Looking towards the month of June, we will be participating in Legislative Days, this is where our committees meet and receive various updates on legislation that has passed, and in some instances topics that might be on the horizon for potential

Thank you for taking time to read. In the interim if we can be of help to you as you navigate your state government please call or email. My door is always open and my staff, Pam McClain, Lena Prine, and I welcome your participation. **As your state representative, I am here to listen, respond, and lead.**

All my best,

Raquel Moore-Green
Representative, HD19 South Salem, Turner, and Aumsville

PUBLIC NOTICE:

AUMSVILLE CITY COUNCIL PUBLIC HEARING STATE REVENUE SHARING

WHEN: Monday, June 13, 2022

WHERE: Aumsville Community Center, 555 Main Street (also via Zoom Webinar)

TIME: 7:00 PM

The purpose of this hearing is to discuss the proposed uses of the Fiscal Year 2022-23 State Revenue Sharing funds and receive public comments. City council members may join electronically to provide capacity for public attendance while maintaining social distancing recommendations. Members of the public are also encouraged to join electronically via Zoom.

A link to the meeting will be posted to our website at www.aumsville.us/meetings.

Written public comments will also be accepted via mail, in the city drop box, or email at crogers@aumsville.us through 6/12/2022.

Anyone wishing to speak on an agenda item should ask to be recognized by the Chair at the beginning of that agenda item. The meeting location is accessible to persons with disabilities. A request for an interpreter for the hearing impaired, or for other accommodations for persons with disabilities must be made at least 48 hours prior to the meeting. Please call (503) 749-2030 and leave a message or Oregon Relay Service for TDD at (800) 735-2900.

CORN FESTIVAL
Information

The City of Aumsville will hold a municipal election, for the election of the mayor and three city councilor terms expiring December 31, 2022. The election will be held with the state general election on Tuesday, November 8, 2022. The term of office for mayor is two years and the term for city councilor is four years, both beginning on January 1, 2023. They generally meet twice a month on the second and fourth Mondays at 7:00 p.m.

POSITIONS OPEN – 2022 ELECTION

<u>OFFICE</u>	<u>INCUMBENTS</u>
Mayor	Derek Clevenger
City Councilor	Angelica Ceja
City Councilor	Della Seney
City Councilor	Nico Casarez

If you are interested in filing as a candidate, filing forms and nomination petitions are available at city hall. Nomination may be made by filing a declaration of candidacy, accompanied by a \$25.00 filing fee or by petition containing the signatures of not less than 25 qualified voters in the city. The signatures must be verified by Marion County Elections before filing at city hall.

Candidacy filing forms and verified nomination petitions must be filed at city hall not later than 5:00 p.m. on August 26, 2022.

Qualification:

- ◇ Be a U.S. citizen, 18 years of age or older
- ◇ Be registered to vote not less than 20 calendar days before the election
- ◇ Reside in the city during the 12 months immediately preceding the election

Filing forms and local election information can be found on our website at

<https://www.aumsville.us/city-hall/page/election-information>

fuels as we head into summer. Many of you have yard debris piles that have been sitting waiting to dry for months. Keep in mind that these piles are no doubt surrounded by new growth that can result in unanticipated fire spread. As things dry out and we begin backyard burning, be sure to take all safety precautions necessary to prevent your fire from getting out of control.

Our spring academy has resulted in the addition of 3 new volunteer Firefighters to our rolls, all local home responders. Two are EMTs, and the third will be shortly. An additional volunteer is also completing her EMT classes. As always, the Aumsville Fire District is seeking volunteers for many roles. If you know anyone who is looking for some excitement in their spare time, with the benefit of training for an excellent career, please direct them to our office!

Good Day, Neighbor!

The record wet April and May, while welcome for our drought situation, has resulted in substantial undergrowth and light

Planning continues for the Administrative Office and living quarters replacement. Staff is working with architects to come up with a viable plan to be brought to public vote for bond funding.

Stay safe,

Roy Hari, Fire Chief

Each year around Arbor Day we exchange trees with our sister city, Gervais. Assistant Public Works Director Matt Etzel visited Gervais in May to make the exchange. We gave them an Eastern Redbud tree and we received a Flame Maple tree from them in return. The tree has been planted in Mill Creek Park near the baseball diamond.

This maple tree will mature to 20' tall and 28' wide and will put on a fiery red show of leaves in the Fall.

STATE SENATOR'S MESSAGE

Greetings from the Capitol. The legislature is currently gearing up for Legislative Days at the beginning of June. As Chair of the Senate Committee on Health Care, I was able to submit an agenda to hear updates from a few organizations and projects around the state including an update from the Task Force on Universal Health Care, an update from the Oregon Health Authority (OHA) on our insurance marketplace and an update from OHA on the current fentanyl and naloxone crisis our state is facing. If you are interested in listening in to the health care informationals or any other committees, please visit olis.oregonlegislature.gov.

We will also be holding town halls at the end of June in Polk County. The first one will be June 28th at 6pm at Western Oregon University at the Werner University Center in the Willamette Room with Rep. Paul Evans and Mayor Cec Koontz. The second one will be at on June 30th at 5:30pm at Independence City Hall in the River Ballroom with Rep. Evans and Mayor John McArdle. We would love to see you there and hear about the concerns and questions you have.

As always, please feel free to contact my office any time at sen.debpatterson@oregonlegislature.gov or at 503-986-1710.

City of Aumsville April 2022 Monthly Police Report

DEPARTMENT MESSAGE:

The reserves worked a total of 130 hours during the month of April: 130 volunteer hours and 0 paid hours.

I am happy to report we have filled Officer Greene’s vacant position. Angela Robinson has been hired and starts May 1st. Angela comes to us from Klamath Falls, where she worked for Kinsley Air Base.

After serving 17+ years, Reserve Officer Carl Gabba has decided to retire. We thank him for his years of service to the Aumsville Police Department and wish him well.

Chief Schmitz has reached his retirement date, April 30th, and has agreed to stay for a few more weeks as the search for his replacement is still on-going.

We are still accepting applications for Full-Time and Reserve Officers. If you are

AUMSVILLE CITY COUNCIL MINUTES

The following may not be complete minutes from these meetings. You can find the full approved minutes on our website at www.aumsville.us/city-council.

April 11, 2022

The meeting was called to order at 7:00 PM. Present in-person were Mayor Clevenger and Councilors Casarez, Ecclestone, Seney, Wick, City Administrator (CA) Harding, and City Clerk Rogers. Councilor Lee joined via Zoom Conference call. Council absent: Angelica Ceja. The meeting was video recorded to be released later.

Arbor Day Proclamation: Mayor Clevenger read into record proclaiming April 29th, 2022 as Arbor Day, urging all citizens to plant and care for trees to gladden the heart and promote the well-being of this and future generations.

Visitors: There were no online attendees and one in-person attendee. No public comment.

PUBLIC HEARING: Supplemental 2021-2022 Budget Amendment – FEMA Grant

The Public Hearing opened at 7:03 PM.

CA Harding reported that the City was awarded a grant from FEMA to help recover costs incurred by the February 2021 ice storm. At the time the current fiscal year budget was adopted, the city was unsure of the total amount, if any, that would be received from FEMA. In total, grant DR4599 has provided a total of \$65,313.72 in recovery funding, a 75% match for claimed resources spent in emergency management and cleanup of debris.

Staff requested authorization to process various budget amendments to appropriate FEMA Grant resources and approve Resolution No. 04-22 under New Business.

There was no testimony, rebuttal, or questions from Council. The Public Hearing closed at 7:05 PM. There were no further deliberations.

NEW BUSINESS: Council reviewed and approved Resolution No. 04-22 A RESOLUTION AUTHORIZING 2021-2022 BUDGET AMENDMENT IN THE GENERAL FUND.

Council moved to direct staff to reclassify \$15,000 of budgeted revenue from the City Reserve, Miscellaneous Income line to the new FEMA DR4599 Reimbursement line. The motion was unanimously approved.

Council reviewed the Business Oregon Grant for \$2,500,000 to be used to help build a new 1-million-gallon water reservoir and drill two new wells within the city. Council unanimously approved Authorizing City Administrator Harding to sign the grant contract, number SR2229, with Business Oregon for receipt of Coronavirus State Fiscal Recovery Funds in the amount of \$2,500,000.

City Administrator Report: CA Harding is still working with Department of Environmental Quality (DEQ) on the Wastewater Facility Plan approval to work through some issues in order to get the process pushed through to take advantage of the current funding opportunity environment.

CA Harding updated Council on the Corn Festival planning. He asked them to help pick a parade theme. Staff narrowed the choices down to two: "Once Upon a Corn Stalk" or "Who Ya Gonna Call? Corn Huskers!" After a short discussion, Council consensus was to go with "Who Ya Gonna Call? Corn Huskers!"

MAYOR/COUNCIL REPORTS AND INITIATIVES:

Councilor Seney reported that the Mid-Willamette Valley Transportation Commission has 39% more funds for transportation projects that will be going to cities and counties. They are in the process of deciding how they are going to distribute the funds. Council revisited crosswalks on 11th Street. CA Harding will continue to work with Marion County on this subject.

The meeting adjourned at 7:22 PM.

April 25, 2022 Meeting Minutes

The meeting was called to order at 7:04 PM. Present in-person were Councilors Ceja, Ecclestone, Seney, Wick, and City Administrator (CA) Harding and City Clerk Rogers. Councilor Lee and Casarez joined via Zoom Conference call. Council absent: Mayor Clevenger. The meeting was video recorded to be released later.

Visitors: There was one in-person visitor and no online attendees.

Public Comment: A resident of Aumsville informed Council that he recently stopped at the post office after

hours and found a man sleeping inside the lobby area. He asked if the Aumsville Police could stop by the post office occasionally just to do a safety/welfare check. His concern was for the person's health and safety, and for others that stop to get their mail.

NEW BUSINESS: Water/Sewer Rates Discussion

CA Harding gave an overview of the 2022-2023 Budget in regard to the upcoming annual water and sewer rate increase. He talked about the current rate of inflation and how it could affect the cost of city water and sewer operations. Using the city's forecasting model, he showed Council that we could see up to a 4% increase in water and 8% in sewer operation costs. Council discussed how these increases will add further burden to our residents who are already feeling it at the gas pumps, grocery store, and other utilities. CA Harding offered some options for Council to consider but warned there are some risks that would be involved. By deferring a \$100,000 transfer into the Water Improvement Fund, we could sustain with only the annual increase of 3%. He explained that our overall budget is in good shape, and we could delay the higher increases this year, but that will only make the inevitable increase higher down the road. This would give some relief to residents at the peak of the current inflation. After a lengthy discussion Council consensus was to do the annual 3% increase, and defer the \$100,000 for this year, effective June 1st, 2022. CA Harding will prepare a resolution and bring it to the next Council meeting on May 9, 2022.

City Administrator Report: CA Harding reported that staff has been discussing COLA increases. Taking into consideration the CPI is close to 8%, city employees are willing to settle for a 6% COLA for the upcoming budget year. After a brief discussion, Council agreed with the 6% and directed staff to figure the 6% COLA into the budget.

GOOD OF THE ORDER: Councilor Seney reported that she has heard a lot of positive comments about the Easter Egg Hunt event.

The meeting adjourned at 8:12 PM.

PUBLIC NOTICE—PARK MASTER PLAN

NOTICE IS HEREBY GIVEN that the Aumsville Planning Commission, on **Thursday, June 2, 2022** at 6:30 p.m. will hold a public hearing at the Aumsville Community Center, 555 Main St., Aumsville, OR, on the following:

CASE: LA 2022-01
 APPLICANT: City of Aumsville
 REQUEST: Legislative amendments to the Aumsville Parks Master Plan
 LOCATION: Within the City of Aumsville Limits
 CRITERIA: Comprehensive Plan Policies and the Statewide Planning Goals

Persons wishing to speak for or against the amendments may appear in person or by representative. Written comments may be submitted to the City of Aumsville at 595 Main Street, Aumsville Oregon, 97325.

The documents and criteria are available for inspection at City Hall. A copy will be provided at reasonable cost. The Planning Commission staff report will be available for inspection on May 23 at no cost, and a copy will be provided at reasonable cost.

For information contact Kiel Jenkins, City Planner, at 503-540-1616, or

CASCADE SCHOOL DISTRICT NEWS

Aumsville Elementary School Has a New Principal

Cascade School District Superintendent Darin Drill announced that Zach Mintzer will be the new principal at Aumsville Elementary School. Mintzer replaces Cyndi Ganfield who accepted the principal's job at Terrebonne Community School in the Redmond School District.

"Zach [Mintzer] is the perfect choice for this role," said Superintendent Darin Drill. "He is a great leader in our district and cares about every person

who comes to Aumsville. He had a great mentor in Cyndi [Ganfield], and I think he will continue to promote a culture of hard work, growth and compassion."

Mintzer has been the assistant principal at Aumsville Elementary since 2019. Before that, he taught social studies at Cascade High School. Mintzer grew up in the Cascade School District and attended Aumsville Elementary. He graduated from Cascade High School in 2006.

"It's super meaningful because I went to this school," Mintzer said. "We want Aumsville to be an anchor in the community for our students, staff and families. Our focus will be on building a culture where kids want to run into the school, not away from school and where everyone feels welcome."

During May, Aumsville third, fourth and fifth graders took field trips to Cascade High School to participate in

various vocational activities. Fourth-grade students learned about plant science from Cascade High School agriculture students and they got to plant dahlias. Third graders took a trip to the manufacturing class and made a project using the plasma cutter. Students from all three grades attended agricultural safety day at the high school and learned about everything from water safety to outdoor survival to fire safety and more.

"Anytime we can get students doing something experiential, you see that translate positively to the classroom," added Mintzer. "Instilling that love for learning at a young age - whether it's manufacturing, art, plant science, reading, math or something else - means we are educating the whole child."

REMINDER: UTILITY RATE CHANGES

Annual cost of service adjustments to water and sewer rates take effect as of June 1st, 2022.

Base rates for water and sewer, as well as the consumption for water usage over 7,000 gallons, will each increase 3%.

Public Safety Fee (PSF) remains unchanged at this time.

These changes will be reflected on the bill you receive on July 1st

New Residential Rates as of June 1st:

Base Utility Bill w/PSF \$ 110.82
*Senior Base Bill w/PSF \$ 88.73
Consumption Rate: \$ 4.33/1,000 gal

****To qualify for the Senior Rate you must be:***
Head of household, 65+, and retired.
Applications are available at City Hall

NOTICE OF BUDGET HEARING

FORM LB-1

A public meeting of the Aumsville City Council will be held on June 13, 2022 at 7:00pm at 555 Main St, Aumsville, Oregon. The purpose of this meeting is to discuss the budget for the fiscal year beginning July 1, 2022 as approved by the Aumsville Budget Committee. A summary of the budget is presented below. A copy of the budget may be inspected or obtained at 595 Main St, Aumsville Oregon between the hours of 8:00 a.m. and 5:00 p.m., or online at www.aumsville.us/finance/page/budget. The budget is for an annual budget period. This budget was prepared on the modified cash basis of accounting, which is the same as the preceding year. Public comment may be made in writing in advance and will be accepted via email, mail or the drop box until June 12, 2022. This meeting will also be made available electronically via Zoom. The electronic meeting information may be obtained online at www.aumsville.us/meetings or by registering with crogers@aumsville.us.

STATEMENT OF CHANGES IN ACTIVITIES and SOURCES OF FINANCING

Personal Services includes a new Utility Worker position, an expansion of the Utility Billing Clerk position, a temporary Office Assistant position, a 6% cost of living adjustment (COLA), and city-paid medical insurance premium increases January 2023. Collections include utility rate increases to take effect June 1, 2022; 3% in both Water and Sewer Funds. The Police Fund continues to experience between 5% and 10% increases in regional dispatch and records management services. The Park Fund is proposed to receive all of the State Revenue Sharing Apportionment this year, as well as a General Fund transfer to help support park maintenance costs. A General Fund transfer to the Investing In Aumsville Families & Children Fund is proposed to continue the youth programs for the year. In the System Development Charge (SDC) Funds, no EDUs are estimated to be submitted for permits during the coming fiscal year, as the available buildable lands continue to proceed through the site development review and planning processes. The City has been awarded grants amounting to \$3,557,000 for water improvements; \$1,928,440 for sewer system improvements; \$900,000 for a new Public Works facility; and \$13,000 for Park Master Plan updates.

Mayor Clevenger Della Seney Angie Ceja Nico Casarez Doug Ecclestone Scott Lee Walter Wick

The Aumsville City Council is pleased to present these budget highlights for the community. The entire budget follows, so our community can look over the budget details. Our hope is this page will provide a quick snapshot of important pieces of our budget. There are lots of exciting things going on in the city and our community has a lot to be proud of.

2022-2023 Budget = \$18,383,969
\$946,000 from property taxes

This budget shows the value in maintaining an active, healthy financial position. The budget committee continues to make prudent and conservative choices. We want to thank them for their work; in just a couple of years we have made remarkable progress.

In this year's budget you will see some familiar projects as some of them will take multiple years to complete. It also good to continue to remind the community of our challenges and how they may impact you in the future.

The city's financial position continues to improve although events like COVID-19, natural disasters like the Ice storms and even the historical inflation have impacts that can move the city's financial position up or down. We weather those events by being proactive in managing long term forecasts and good financial policies which leads to sound financial planning. This year our community is faced with unprecedented inflation which cause great strain on all of us. The City council is mindful not only about the needs of the City as a whole but the needs of individuals with our community. They are pausing some financial planning policies that would raise utility rates consistent with the rate of inflation for now. This new policy could not be sustained long term but it may help provide some relief for residents in the short term. We have a lot to do and many challenges ahead but we're working to meet those challenges.

GENERAL FUND - BUDGET HIGHLIGHTS

The budget estimates General Fund resources of \$2,420,973.

The general fund is our most flexible pool of resources. Transfers from this fund help support police and park services as well as special projects to meet the city council's goals for our community. The revenues are made of property taxes, fees for services provided by the city, franchise agreements, and new construction permits. Special projects to implement the city's vision are all included in this general fund budget. The city will maintain a 90-day cash reserve and continue to meet the expectations of our community.

New Public Works Facility

Our Public Works department provides key services that touches a part of everything we do. they maintain streets, stormwater, water, sewer and Parks. Public Works also coordinates permits, code enforcement and is the foundation behind all community events. It has been difficult to complete all of these tasks and projects and remain effective from the current shop buildings. The city received a \$900,000 Grant to help fund the new building. The building will be located in the industrial area next to Blazer Industries.

The new building will be 8000 sq ft and be large enough to house our Vac-Con truck, it will include offices and a secure entrance into the wastewater facility.

The City dedicates all of its received property tax revenue and the public safety fee revenue to maintaining our police protection. Continuing to protect and serve the Aumsville community.

A priority for our city is to continue the tradition of hosting great community events for the entire family. With the urgent threat of COVID behind us we can again focus on creating a healthy community by bring our residents together for these celebrations.

Party in the Park August 19, 2022

Corn Festival Parade August 20, 2022

Last year the Corn Festival was recognized as a statewide heritage event by Oregon State Parks

We have major water and wastewater projects on the horizon.

We need to address stormwater.

We were able to secure almost \$4 million dollars in grant funding to build a new water reservoir and two new drinking water wells. This grant alone would have cost an additional \$20.00 per month in increased utility rates but the grant allows this improvement with no additional cost to our utility customers.

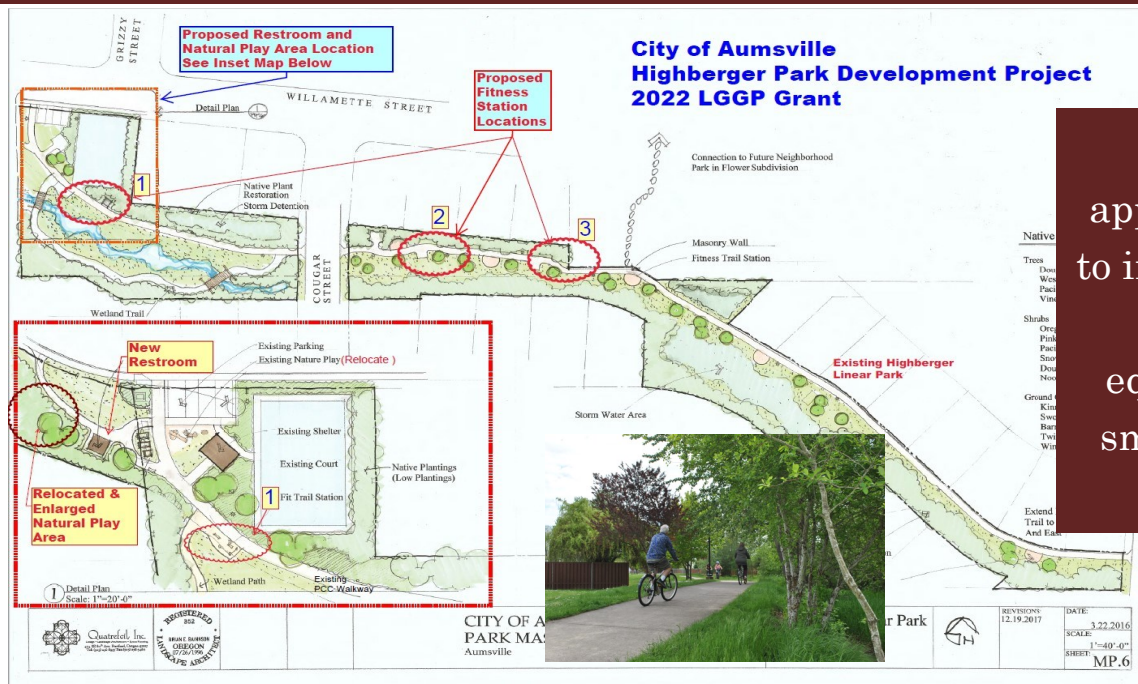

We have completed a stream study and are working on the initial engineering report for our wastewater treatment system. Currently we are under an order with DEQ because our system releases too much ammonia. To fix this, we'll need to build a mechanical plant which will cost between \$21-23 Million.

We are under an enforcement agreement with DEQ and must build a wastewater treatment facility.

Highberger Park Improvements

The city has applied for a grant to install restrooms, trail exercise equipment and a small playground for toddlers.

The city is installing an electronic sign to be able to communicate to residents about meetings, events and emergency messages during weather events.

We received a grant to install a veterans' memorial at City Hall. The selection includes a diverse group of children pledging allegiance to the American flag. The memorial will honor all of those who have served, are serving and will serve to support our country.

SUMMARY

The city financials are stable and sustainable. The city has been working hard to acquire grants to fund required projects, to provide critical services and enhance the community. We have received over \$6.5 million dollars in grants over the past year and a half. These grants have been essential in making many of these improvements possible. Most of these projects will take multiple years to complete.

Aumsville Day Camp 2022

The occasional sunny days we've had lately have us thinking about Summer! We're planning our 2022 Summer Program.

Volunteers Needed: We can always use volunteers to help with crafts and activities.

To volunteer you must:

Pass a Background Check

Complete a Volunteer Application

You can also email Colleen at crogers@aumsville.us to have an application emailed to you. <https://www.aumsville.us/community/page/be-volunteer>

We'll kick off with the Day Camp on Friday, June 24th.

- ◇ Children must be pre-registered in advance.
- ◇ Open to kids from 1st through 5th grade.
- ◇ Noon to 2:00 pm
- ◇ Includes: lunch, a snack, books, and activities.
- ◇ Every Friday, **except** July 1 and August 19, through August 26th.

Saturdays: **Movies in the Park**

Start at dusk every week, except July 2 and August 20, through August 27th.

Can we get a big round of applause for our tireless champions: Dianne Lucas and Kendal Berning? They have organized this program for the past few years. We couldn't put on these programs without them. Thank you! . . .

AUMSVILLE HISTORICAL SOCIETY NEWS

On April 14th Aumsville Historical Society held its first in-person meeting in two years. To celebrate the event, a takeout buffet was served. During the business meeting, a great backlog of old business was reported and recorded for future reference.

New member Patricia Roller of Aumsville was welcomed. Additional new members are Brett Juul, Lindsay Ward and business member, Brandon Mumey of Figaro's Pizza. Aumsville City Administrator Ron Harding and his wife Myrna were present. Ron spoke about future city projects such as

the installation of an additional water storage tank and a veterans' memorial. He mentioned the future replacement of the bridge on Mill Creek Road at 70th, west of Aumsville. This is not a city project, but drivers will need to be aware of detours during the construction work.

On May 7th, Historic Preservation Consultant George Kramer from Ashland visited the museum. His task is to research the historic aspect of the area of the Mill Creek Road bridge, which is scheduled to be replaced in 2024. The house and land on the north side of the road are of special interest. The museum volunteers displayed and discussed the pertinent documents. The farm property had changed hands numerous times and some acreage was sold. The house had been white, but recently was painted tan.

Who could give additional information? Terry Snyder! So, he

was called in Phoenix and put on speaker-phone for everyone to hear. He recalled that William J. and Lois Denhem had lived there. They grew flax, which was milled into linen. William was a carpenter and, for a while, drove a school bus. Terry remembered that Lois had been his substitute math teacher.
