

THE HOLIDAY SPIRIT IS ALIVE IN AUMSVILLE

The holiday spirit is alive in Aumsville. We've been making plans with our elves in coordination with Santa. Because of the COVID-19 restrictions, our in-person park event has been replaced with more virtual and at home events.

Here's the lineup of holiday festivities:

New this year:

Horse Drawn Carolers: Horse drawn carriage lit with holiday lights will carry carolers throughout the neighborhoods singing and spreading the holiday cheer. More information to come in December newsletter or watch our Facebook page.

Holiday Decorating Contest: Decorate your home or business and enter to win \$500. Details on page 4.

Letters from Santa: Your child will receive a handwritten response from Santa. Details on page 2.

Updates to our regular events:

Toy Drive: The barrels will be out for collection soon; see page 2.

Toy Raffle: We'll have a giant stocking filled with toys again this year for one lucky family. Instead of the traditional raffle tickets we'll use the same list we amassed for the newsletter mailing to randomly draw one resident. If you need to update your information, call City Hall at 503-749-2030.

Santa Visits: Santa is still planning on riding the firetruck around town with goodie bags on December 12th; look for more details in the December newsletter.

Tree Lighting: We will be doing a video tree lighting and program on December 12th. This will be broadcast on our social media. Watch our Facebook for the announcement of the broadcast time. After this event the tree will remain lit in Porter-Boone Park from dusk-dawn through the holiday season.

We look forward to sharing the festive season with the community.

AUMSVILLE POLICE TOY DRIVE

Christmas will be here soon, and the Aumsville Police Department is once again having a toy drive for children in need in Aumsville.

We are gathering new, unopened gifts for children. (Cash works too!) The gifts will be wrapped and delivered to children within Aumsville city limits. Your contribution is essential to the continued success of this worthwhile program.

Each year, with the help of Aumsville residents and businesses, the Police Department has gathered cash and toys to provide many children with a merrier Christmas than they might have had. They could use some wrapping paper and scotch tape too.

If you have questions, contact Police Support Specialist Brenda Campbell at (503) 749-2188.

Toy collection barrels will be placed at the following locations in early November:

- Police Department
- Neufeldt's Restaurant
- Riverview Community Bank
- Pizza Peddler
- Tornado Fitness

Special Offer from

The **Pizza Peddler**

325 Main Street

503-749-1004

Bring in a new, unwrapped toy for the toy barrel and receive \$4 off a large or \$5 off a giant pizza.

Not valid with any other coupon or offer.

LETTERS FROM SANTA

Santa has assigned a special task to Aumsville City Hall. He's extra busy this year at the North Pole and has given us the task of his correspondence.

This year City Hall will be returning letters to children from Santa. We are excited to provide this special treat to the children of Aumsville who are sure to be excited to receive the letters.

Your child can send a letter to Santa a few ways: fill out the sheet on the next page, fill out the form online, or write a letter and send it to City Hall. You can also drop these in the drop box outside of City Hall. This information needs to include: child's name, age or grade, and mailing address. Also include an adult contact should staff need to clarify anything. The online form is here: <https://www.aumsville.us/events/webform/letters-santa-form>

This is free and open to children who live in Aumsville. **The deadline for your letter to Santa is December 3rd.** If you send it in after December 3rd Santa will not have enough time to write a reply.

All replies will be handwritten to the child and physically mailed by December 11th. While we cannot guarantee delivery by Christmas, by sticking to this timeline we are doing our best to have it arrive in time.

We cannot wait to see what Aumsville kids write to Santa. If you have any questions,

call City Hall at 503-749-2030.

Dear Santa,

Name: _____ Age/Grade: _____

Mailing Address: _____

Adult Contact Name: _____ Adult Phone: _____

While we can't hold our regular Christmas in the Park event, we still want to spread some holiday cheer. We're inviting the community to decorate for the holidays.

Light up your house or business. Non-lighted décor counts too. Spread some cheer and enter to win a prize.

How it works: You decorate your house or business. You send in the form or enter online. We add your location to a map, so the whole community can drive through to check out your holiday spirit on display.

<https://www.aumsville.us/events/webform/holiday-decorations-form>

Holiday displays can include light displays on the entire building, and/or window decorations. All decorations need to be visible from the street.

Deadline for inclusion in the newsletter is November 15th. Deadline for inclusion on just the website and in the contest is November 30th. All entries must keep their décor up between December 5th and 21st. All form entries will be judged by our anonymous elves. The Grand Prize entry will be announced on December 21st.

HOLIDAY DÉCOR CONTEST ENTRY FORM

Contact information will not be published; it may be used by city staff to clarify your listing. Return the printed form to City Hall drop box at 595 Main St. or fill out the form online.

AUMSVILLE VISION 2040

The City of Aumsville is pleased to share the draft Vision 2040. This plan draws together years of community meetings, public input, and citizen feedback into a document which shares a collective goal for Aumsville for the next twenty years.

The council is seeking community feedback and input on this draft. You can view and comment on the plan on the website at <https://www.aumsville.us/city-hall/webform/vision-2040-plan-feedback>. If you prefer the feel of paper in your hands, contact City Hall and we'll be happy to print you a copy. This plan outlines action steps to move the city towards the community's vision for Aumsville in 2040. It's divided into six sections, each section dealing with a different portion of the community or

services provided to the community. The sections include: Livable Neighborhoods, Vibrant Downtown and Healthy Economy, Excellent Public Facilities and Infrastructure, Inclusive Events and Celebrations, Public Art and Community Branding, & Civic Engagement and Communication.

We welcome your input on the plan, the goals, and the action steps. How does this plan align with your vision for the future of Aumsville?

DEPARTMENT MESSAGE:

The reserves worked a total of 65 hours during the month of September: 65 volunteer hours and 0 paid hours.

The month of September saw us busy dealing with the wildfires. We added extra patrols during our Level 2 Evacuation to assure our citizens were safe. We also had personnel assigned to the Fire Command Center to provide up-to-date, thorough, and accurate information.

When the threat to our city appeared to be over, we assigned personnel to assist Marion County in patrolling the affected areas, to prevent with looting. We also developed a vulnerable citizen form, to identify those citizens who might require assistance in the event of a city-wide evacuation or emergency.

I would like to thank all those who helped in dealing with this tragic event, and offer our thoughts and prayers for those who experienced loss. We are a strong community and we will survive!

Chief Richard Schmitz

calls short and not to eavesdrop on people's calls.

Valley Telephone Company came into existence in 1957. At some unknown time, phone

In this era of cell phones, no one seemed to notice when the phone itself was removed.

Aumsville Mutual Telephone Company was incorporated in 1908 by J.E. Lewis, William Strayer and F. J. VonBehren. A copy of this document can be seen in the AHS museum. In 1948-9, the company served more than six communities. There were about 110 Aumsville subscribers. The Mill City office had about 270, but that included residents of Lyons, Gates and Elkhorn. The phone numbers consisted of two, three or four numerals. A caller cranked the phone manually to reach the switchboard. The caller gave the operator the desired number and she made the connection. Some phones were on party lines. Other subscribers on the line could be reached by turning the crank a designated number of short and long rings. This did not need to go through the switchboard. Subscribers were cautioned to keep

numbers were assigned two-letter prefixes. In 1960 the letters were changed to numbers. Aumsville was the first community in Oregon to have a seven number system for local calls. Subscribers were informed in writing about dial tones and busy signals.

There will be no meetings or museum openings until further notice. For information about AHS, please contact Ted Shepard 503-749-2744 or Karlene Santibanez 503-749-2585. AHS would like to express appreciation to the first responders and other agencies who fought the recent forest fires and to the organizations that are assisting those who have suffered losses.

AUMSVILLE CITY COUNCIL MINUTES

The following may not be complete minutes from these meetings. You can find the full approved minutes on our website at www.aumsville.us/city-council.

AUMSVILLE CITY COUNCIL

Minutes – September 14, 2020

The meeting was called to order at 7:00 PM via Zoom Conferencing. Council present was: Mayor Clevenger, Bambrick, Casarez, Ceja, Ecclestone, Purdy, and Seney. Council absent: none. City Administrator Harding (CA Harding), Police Chief Schmitz, and City Clerk Rogers (CC Rogers) were also present via Zoom. The meeting was video recorded to be released later.

VISITORS: There were 11 online attendees. Login information was provided for members of the community to listen to the discussion.

PUBLIC COMMENT: Dayadevi Heart thanked everyone who has helped with the wildfire relief efforts. As a whole, we showed a unified front. Council thanked her for her comments.

OLD BUSINESS:

Market Village CA Harding gave an update on the tiny market village concept that Council discussed at a work session on February 26, 2020. The idea is to enhance our Saturday Market and other activities in the park. He presented drawings of the exterior and floor plan for the building. He said that the market village will be in Porter-Boone Park at the west end of the soccer field. There will be five shops, each being 12'x16' and having its own store front. Council consensus was to move forward with this project. CA Harding explained how the city has received a Community Prosperity grant from Marion County for \$30,000 and Council dedicated \$20,000 in this fiscal year's budget to the project. This \$50,000 should be enough to complete the project. He also reported that staff continues to research and apply for additional grant dollars for economic development projects like this. CA Harding stated that staff has been working on the plans and will start the permitting process with Marion County as soon as possible.

Main Street Landscaping: CA Harding cited that Council budgeted \$20,000 for street trees and landscaping for Main Street and directed staff to develop a plan. He presented a proposal for the landscape plan at 1st and Main St. The proposal shows 16 street trees and 32 shrubs to be planted beginning early October with the installation of root barrier and water services for irrigation. Digging, planting, and bark dust will follow. After some discussion about the type of trees and clear vision at the intersection, Council consensus was to move forward on the project.

New City Logo: CA Harding presented Council with sample city logos and asked them for feedback on which one

they would prefer. After a brief discussion and casual vote was taken, Council concurred to move forward with drawing #1. CA Harding will work with the designer on fine tuning and moving forward to finalize the new logo. Council authorized CA Harding to begin branding our products with the new logo once that's complete.

NEW BUSINESS: Council unanimously approved the updates to the Employee Handbook. CA Harding stated that some of the changes are due to new laws passed by legislation in 2019. Staff worked with our risk carrier City County Insurance (CIS) to ensure our handbook is conforming to these new laws.

CITY ADMINISTRATOR'S REPORT:

COVID-19: CA Harding updated Council on COVID-19 epidemic. The Aumsville zip code area is holding at 37 positive cases since the beginning of the outbreak.

Wildfire update: Chief Schmitz has been the lead for the city on the wildfire efforts. He has assigned one officer to assist the Marion County Sheriff's Department with security and other tasks needed in the Santiam Canyon. This is through our mutual aid agreement with the county.

CA Harding commented that the city fared well through the emergency event. The most difficult issue was miscommunication or wrong communication of information being posted on social media by other entities. He and Chief Schmitz worked diligently to sort it all out and get the correct information out to the community as accurately and quickly as possible.

Council discussed the Community Center Kitchen Upgrade project. We received a \$2,000 grant from Pacifi-Corp to put toward the upgrade. Staff are looking into additional grants for this project and are hoping to begin the project next year.

CA Harding reported that Public Works is looking into replacing the city's hillside mower that is old and recently died. CA Harding stated that he wanted to give Council a heads up that this will be coming before them at the next meeting.

Youth Council: CA Harding and Mayor Clevenger spoke last week and discussed revisiting our Aumsville Youth Council (AYC). CA Harding has reached out to and has a Zoom meeting set up with the Cascade High school Counselor and Principal for later this week. With their involvement we could make it a learning experience for the students in Civics and Public Service by providing some curriculum for the program.

GOOD OF THE ORDER:

Mayor Clevenger brought up some concerns from citizens who have reached out to him. One of those was regarding

how police handle calls involving autism. Chief Schmitz stated that Officer Bird and Officer Buchholz have both taken specific training for working with people with autism. The department has gone through Critical Incident Training (CIT) which also touches on aspects of autism. He encourages parents to bring children by the police station so that they can meet the officers and build a relationship *before* something happens.

Another issue brought to Council was the cost to citizens for applying for a variance to our development code. CA Harding explained that \$600 fee is for cost recovery for the expense of hiring a planner to review. He referred to the recent code changes that Council approved and stated that many of the variance issues from the past were due to our old development codes and have been dealt with in the recent code updates. CA Harding also stated that most of the inquiries simply would not meet the criteria of a variance. CA Harding will research the issue and report back to Council.

The last issue is the poor visibility at the intersection of 5th and Church Streets and if a 4-way stop could be a possible resolution. CA Harding stated that they did have the city engineer review the intersection. The engineer felt that putting a 4-way stop there would actually be more hazardous. Chief Schmitz stated there had only been one accident at this intersection, and it was a result of road rage, not due to clear vision issues. CA Harding said that he would revisit it with the city engineer to see if there is some countermeasure that he would recommend.

CORRESPONDENCE:

Councilor Seney received a letter from a citizen that asked she read it at the meeting. The writer addressed their concerns regarding Mayor Clevenger's conduct at meetings and on social media. Councilor Seney read the letter then reminded citizens that Council serves at their request by election and if they don't care for what any of them are doing, they have the right to recall or simply not to vote for them.

Mayor Clevenger read a letter that Council received from the Aumsville Exchange Club thanking Council for the opportunity to volunteer during the Corn Festival this year. Their fundraising brought in \$3,174.85 that will go to support our community through city programs and Exchange programs aimed at preventing child abuse. Mayor Clevenger stated that the Exchange Club has done a fantastic job volunteering and supporting all of our community activities.

The meeting adjourned without prejudice at 8:41 PM

AUMSVILLE CITY COUNCIL

Minutes – September 28, 2020

The meeting was called to order at 7:05 PM via Zoom Conferencing. Council present was: Mayor Clevenger, Councilors Bambrick (arrived at 7:15 PM), Casarez, Ceja, Ecclestone, Purdy, and Seney. Council absent: None. City

Administrator Harding (CA Harding), City Clerk Rogers (CC Rogers) were also present via Zoom. The meeting was video recorded to be released later.

VISITORS: There were 5 online attendees. Login information was provided for members of the community to listen to the discussion. There was no public comment.

Council reviewed and unanimously approved the September 14, 2020 Council meeting minutes.

NEW BUSINESS: Council reviewed a proposal for the purchase of a new mower to replace a hillside mower that is more than 25 years old. The equipment has been problematic for the last few years and has become cost prohibitive to try to keep it running. Council unanimously voted to approve the purchase of the Ventrac mower with the additional boom mowing attachment for \$41,152, as presented by staff.

CITY ADMINISTRATOR'S REPORT: COVID-19: CA Harding updated Council on the COVID-19 epidemic. The Aumsville zip code area had an approximate 20% uptick and we are now at 43 positive cases since the beginning of the outbreak.

GOOD OF THE ORDER:

Mayor Clevenger updated Council on his Africa schedule. He also announced an upcoming community group effort to put on a fundraiser event for the Santiam Canyon Wildfire Relief Fund which will be October 10th in Mill Creek Park. They have several fun activities planned: a silent auction, costume competition, and trivia games. They are also working on a possible growler fill station. CA Harding stated that to keep in compliance of City Ordinances, Council should make a formal motion and vote whether to allow the growler station. Mayor Clevenger asked for a motion and Councilor Casarez motioned to approve having a growler fill station at the fundraising event on October 10th in Mill Creek Park. Councilor Ecclestone seconded. Motion APPROVED 6-1: (Yes: Mayor Clevenger, Councilors Bambrick, Casarez, Ceja, Ecclestone, and Purdy. No: Seney)

The meeting adjourned without prejudice at 7:31 PM

OPENINGS ON THE AUMSVILLE PLANNING COMMISSION

Two positions on the Aumsville Planning Commission are up for appointment. The Commission meets on an as needed basis, up to twice a month on the first and third Thursdays at 6:00 PM.

The Commission is composed of five members. Planning commission meetings are critical to managing the growth of the city of Aumsville. Commission members work with the city planner, city engineer, staff, developers, business owners, and citizens who desire to develop new building sites or modify existing ones. They become educated in the area of land use laws, including the city's development ordinance and comprehensive plan. These documents are part of the decision-making process for orderly land use development. Fitting all the planning pieces together can be a very exciting process. We hope you will want to be a part of planning the growth within our city and within our urban growth boundary.

To qualify, you must reside within the city limits or urban growth boundary, or be an Aumsville business owner, and not be a city employee or other city official. If you are interested, submit an application. You can pick up an application at City Hall or find it online at <https://www.aumsville.us/bc-pc>.

The deadline to submit your application is December 9, 2020. Mail or email the completed application to the attention of the Planning Commission Secretary, City Hall, 595 Main Street, Aumsville, OR 97325 or rcrowther@aumsville.us. Staff will be happy to answer any questions you may have at 503-749-2030.
