FALL CLEANUP DAYS!

**Friday, Nov. 5th and Saturday, Nov. 6th
8 am to 4 pm**

The city and Recology Organics are teaming up to sponsor our annual Fall Cleanup Days as a courtesy for the citizens, business owners, and city staff of Aumsville – all FREE of charge*.

Recology Organics will allow you to bring your leaves and yard clippings to their facility for free Friday or Saturday; you may also use the attached coupon to pick up one free yard of organic compost. Please deliver compostable yard debris directly to Recology Organics (8712 Aumsville Hwy).

Recology Organics Aumsville

8712 Aumsville Hwy
(.3 miles north of Aumsville Elementary)

FREE Yard of Organic Compost

Fri., Nov. 5th or Sat., Nov. 6th

This coupon entitles an Aumsville resident, business owner or staff* to pick up, FREE OF CHARGE, a yard of compost

Questions?
Call (503) 749-3117

YARD DEBRIS ALLOWED:

GRASS TRIMMINGS
TREE BRANCHES (4" DIAMETER, 4' LENGTH MAX)
BUSH CLIPPINGS and WOOD WASTES are allowed!

*To drop off yard debris and/or pick up a yard of organic compost free of charge, residents will be required to show a valid driver's license with an Aumsville city limits address or a recent City of Aumsville Water/Sewer bill; Aumsville business owners, a business card with an Aumsville city limits address; city staff, an official City of Aumsville business card.

FYI: Aumsville residents may use the leaf and yard clippings drop off for free year-round. Twice a year Recology offers a yard of free compost. They have currently gone to their winter hours: 8am to 4pm, Monday through Friday. Closed on the weekends.

SAVE THE DATE: CHRISTMAS IN THE PARK

On December 11th, we'll once again bring holiday joy to Aumsville.

The day kicks off with Santa visits, see next month's newsletter for the map.

Join us in the evening at Porter-Boone Park for caroling and tree lighting. We'll have special visits from Santa and the Grinch.

See the December Newsletter for a full schedule and more information.

THANK YOU TO THE PACIFIC POWER FOUNDATION!

The \$6,000 grant will go towards finishing Maude's. With the additional money we can complete the interior and do some landscape work outside.

Pacific Power Foundation grant funds have helped in the past with the community center kitchen remodel, the large event tents we use for Corn Fest and Christmas in the Park, and with the holiday lighted pole decorations on Main Street.

HOLIDAY DÉCOR CONTEST

LIGHT THE NIGHT TO WIN A PRIZE!

Decorating the exterior of your house or business for the holiday season? Enter to win a prize. Your entry gets your location on our holiday décor map too! The rules are simple:

- ◇ All decorations must be visible from the street.
- ◇ Decorations must be up by December 1st.
- ◇ Only locations which fill out the form will be entered to win.

Our anonymous elves will be judging in early December with the winner announced at Christmas in the Park. Our anonymous elves will be looking for creative storytelling with your décor.

We look forward to seeing the town all lit up for the holidays!

You can use the form below to enter, or go online and enter on the website.

<https://www.aumsville.us/events/webform/holiday-decorations-form>

Deadline for inclusion in the newsletter map is November 15th. Deadline for inclusion on just the website and in the contest is November 30th.

Contact information will not be published; it may be used by city staff to clarify your listing. Return the printed form to City Hall drop box at 595 Main St. or fill out the form online.

Address: _____

Contact Name: _____

Contact Email: _____

Contact Phone: _____

MOVING? LET US KNOW

Whether you've sold your house, or are a tenant moving out of town, City Hall needs to know. Please call us *prior* to moving so we can close your account on the last day you want to pay for water at that address. If you call us anytime after you have already moved, you may be billed up to the day you called to notify us.

CASCADE SCHOOL DISTRICT NEWS

The second month of the school year at the Cascade School District was busy. Across the district, students are learning and growing while schools also try to provide the fun activities of a normal school year. Some of the highlights include spirit weeks in each school, a homecoming football game and dance for high school students, new vocational classes like small engine mechanics, athletics, activities and after-school clubs.

“Our staff continues to be creative and find ways to give students these experiences,” said Superintendent Darin Drill. “I believe we have some of the best staff in the state, and I am so grateful for their hard work every day.”

In October, the Oregon Department of Education (ODE) released its annual At-A-Glance School and District Profiles. One of the districtwide key points is the freshmen on-

-track rate which is the percentage of ninth-grade students who finish the year having completed at least 25% of the graduation requirements. For ninth-grade students, being on track to graduate after freshmen year is typically an indication of high school success and on-time graduation.

State-wide, the freshmen on-track rate dropped to 74% which is down from 85%. However, at the Cascade School District, that number held steady at 90%.

“It’s truly a testament to the hard work of our students and staff,” added Drill. “The last year brought with it so many challenges, and for our freshmen on-track rate to remain one of the best in the state is incredible.”

Students and staff worked after school and over the summer to recover credits.

The full At-A-Glance School and District profiles are available on the Oregon Department of Education website.

LETTERS FROM SANTA

Santa has assigned a special task to Aumsville City Hall. He’s extra busy this year at the North Pole and has given us the task of his correspondence.

This year City Hall will be returning letters to children from Santa. We are excited to provide this special treat to the children of Aumsville who are sure to be excited to receive the letters.

Your child can send a letter to Santa a few ways: fill out the form online, or write a letter and send it to City Hall. You can also drop these in the drop box outside of City Hall. This information needs to include: child’s name, age or grade, and mailing address. Also include an adult

contact should staff need to clarify anything. The online form is here: <https://www.aumsville.us/events/webform/letters-santa-form>

This is free and open to children who live in Aumsville. **The deadline for your letter to Santa is December 3rd.** If you send it in after December 3rd Santa will not have enough time to write a reply.

All replies will be handwritten to the child and physically mailed by December 11th. While we cannot guarantee delivery by Christmas, by sticking to this timeline we are doing our best to have it arrive in time.

We cannot wait to see what Aumsville kids write to Santa. If you have any questions, call City Hall at 503-749-2030.

IN YOUR COMMUNITY

AUMSVILLE RURAL FIRE PROTECTION DISTRICT

Good day,
Neighbor!

As we creep into the fall season, cold temperatures are upon us and bring with them the many hazards your Fire District deals with. Backyard burning of leaves and storm debris is in full swing, and the smoke from summer field fires and wildfires is replaced by the haze of burning leaves. Wood stoves are up and running in many homes in this area, adding to the haze and various smells that come with fires.

As firefighters, we see these everyday occurrences sometimes result in tragedy. Seldom does a season go by where we do not respond to chimney fires, overheated wood stoves due to overfiring, backyard burns out of control and threatening structures, and injuries caused by the use of liquid accelerants to start burn piles. Keep safety in mind when you are engaged in using fire for any reason.

Frost and ice often result in problems faced by firefighters. While slips and falls are common causes for medical alarms, icy roads are particularly hazardous to firefighters operating at accident scenes. Please slow down as you approach a stopped emergency vehicle.

As the days shorten and nights lengthen, finding your house if there is no visible address always becomes more difficult. While we have you plotted in our computer maps, these are not always accurate and precious seconds can be wasted while we search for numbers. Please make sure your address is visible from the street with adequate night lighting. If you need a driveway address sign installed, please look for the link to that service on our website.

As always, please consider becoming a volunteer for your local Fire District! We can use your help! We offer a lot of opportunity, but boredom is not one of them!

Stay Safe my friends.

Chief Hari

AUMSVILLE HISTORICAL SOCIETY

In 1857 three missionaries of the United Brethren Church made the arduous ship-board trip from New York to Oregon Territory. Rev. T. J. Connor was returning to his pastorate at Philomath, OT. Rev. Milton Wright and Rev. William H. Daugherty were on their way to support the work of the church in the Pacific Northwest. The latter was accompanied by his wife and young son.

During the Pacific portion of the trip and for months afterward, Rev. Wright suffered from disabling medical issues, then called Panama fever. The ministers traveled constantly, preaching and teaching. They accepted lodging and assistance where they could find it. Rev. Wright's diary contains numerous entries relating to hospitality provided in the Aumsville and Stayton area by early settlers Hadley Hobson and Gabriel Brown. In 1859 Rev. Wright was directed to return east for reassignment. He continued his missionary work there for many years. He married and had five children. Sons Wilber and Orville became famous as pioneers of flight.

William H. Daugherty was born in Marshall County, Virginia, which later became West Virginia. At a young age, he felt a deep religious calling. Rev. Wright's diary relates a lot about Daugherty's travels and sermons. In 1863 Rev. Daugherty was sent to sparsely-settled eastern Washington Territory to attract new converts and establish a church site there. Unfortunately, he became ill and passed away in 1865. He is buried in the Hobson-Whitney Cemetery east of Sublimity.

The widowed Mrs. Daugherty married John Rudolph and had two children. The family moved away from Marion County. Descendant Chris Gonyea and her husband Darrell from Minnesota recently honored the memory of Rev. Daugherty by visiting the Aumsville area.

AHS concluded the 2021 museum season on October 30. For information about AHS, please contact Ted Shepard at 503-749 2744. Have a safe Halloween.

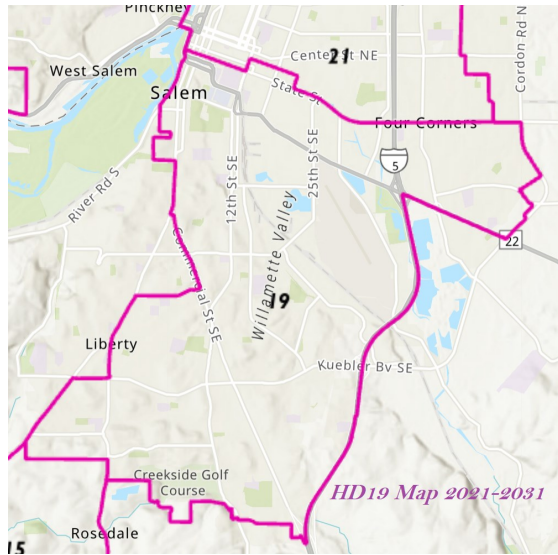

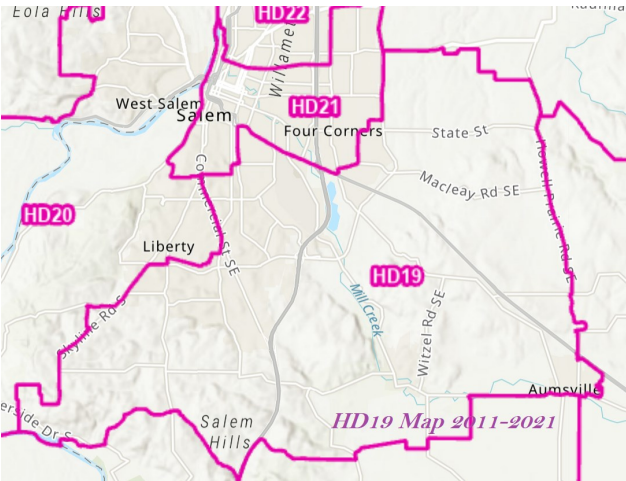

STATE REPRESENTATIVE'S REPORT

Friends –

Many things have transpired since the last time I communicated with you via this newsletter. Most significant is the redistricting of Oregon's House and Senate boundaries. While boundaries may change over time, my commitment to the greater Salem community remains steadfast. It is a privilege to serve the current communities of south Salem, Turner, and Aumsville and to embrace a larger portion of Salem as HD19 is transformed – as the good representative from Monmouth, Independence, and Salem stated:

“For a purpose known but to God, the Senate insisted on merging portions of what is now House District 19 and 21, created a district combining Keizer and North Salem, and split the remaining areas of Salem into districts reaching as far as Detroit Lake. The reorganization of the Salem-Keizer area was an unwelcome surprise.”

As you can see from these maps HD19 is now completely Salem.

In addition, I was able to direct ARPA local community investments to the following groups:

- \$300,000 City of Aumsville
- \$300,000 City of Turner
- \$150,000 Willamette Career Center
- \$1.25 million United Way of the Mid-Willamette Valley. UWMWV will designate these investments to address: homelessness, relief nurseries, child abuse and prevention, wildfire relief, economic development, relief for small businesses, domestic abuse and human trafficking, at risk youth, childcare, education via career technical training, and respite and reflection support for families experiencing health crisis.

Last month these organizations received the formal paperwork that will allow them to move forward with the monetary designations.

Upcoming Events

Your District – Your Voice, listening session, THURSDAY, NOVEMBER 4, 2021 at 6:30 PM. Details to follow, this will be a virtual event. PLEASE NOTE DATE CHANGE.

As I have said before and will say again, and again – it is an honor to serve, and you are an integral part of that service. During this season of thanksgiving, I am thankful to represent you and your community at *your state capitol*. My staff – Pam McClain, Lena Prine – and I stand ready to help to you as you navigate your state govern-

ment. Please know I am here to listen, respond, and lead. Thank you.

All my best, rmg

Raquel Moore-Green

Over the course of my tenure in the House it has been a distinct honor to serve the constituents of HD19. Helping resolve issues with an agency, creating legislation that benefits the good of our community, and encouraging your engagement with your government is what makes this job special. Although the boundaries of HD19 have shifted, at the end of the day it's not about a line, but about the people and ensuring your needs relative to state government receive a response and are represented at the Capitol. It will continue to be an honor to serve the current constituents of HD19 and begin to get to know the new constituents!

ARPA Funding

During the 2021 regular session I submitted Capital Funding requests which resulted in \$4 million in water system improvements for the city of Aumsville, \$500,000 for seismic upgrades to the Ball Bros. Building in Turner, and \$1 million for a sobering center for Salem.

NEWS FROM MARION COUNTY

GOOD BEHAVIOR GAME IN LOCAL MARION COUNTY SCHOOLS

Tootles, PAX and Granny Wacky Prizes... These are just a few new things that school staff in Marion County have been learning from the Good Behavior Game. The Good Behavior Game is a powerful evidence-base practice that is used daily in classrooms. By incorporating these fun strategies every day, it helps children to improve their self-regulation which leads to some very positive outcomes.

The short and long-term results from this program are numerous. Students in PAX classroom have higher reading levels, reduced need for Special Education Service and higher graduation rates. Additionally, teachers report having a more peaceful classroom and less stress. But the results are not limited to just academic there are health outcomes as well! Students that have been in PAX classrooms have fewer symptoms of depression, reduced bullying, decreased thoughts of suicide and less substance abuse.

To date there have been almost 200 school staff trained across 7 districts in Marion County. The Marion County Prevention program had received a grant to train up to 400 school staff in Marion and Polk Counties. More information about the Good Behavior Game can be found at www.goodbehaviorgame.org or email MCHDPrevention@co.marion.or.us

CALLING ALL HIGH SCHOOL TEENS & YOUTH ORGANIZATIONS !

The Marion County Problem Gambling Prevention Program is hosting a video contest with a top prize of \$1,000 total.

Gambling is an activity that carries risk. Just like alcohol and drugs, it can cause problems in life. This educational contest is a campaign to educate other teenagers in middle and high school to prevent problem gambling, empower healthy behaviors, and let people potentially struggling with problem gambling know there is free help and hope of recovery.

Small groups of high school aged teenagers are asked to get creative and make educational videos. Three top prizes will be awarded: \$1,000 total to the winning video (\$500 to the teenagers, \$500 to the sponsoring class or eligible organization), and two runner ups totaling \$500 (\$250 to the teenagers, \$250 to the sponsoring class or eligible organization). Free camera equipment may also be available through Capital Community Media.

The contest is running now through November 18th. Go to Art.MCHealthy.net for more information.

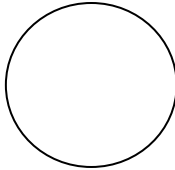

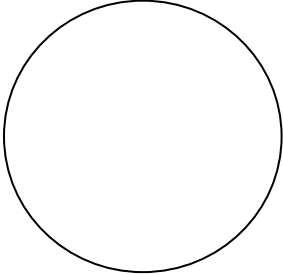

AUMSVILLE VOLUNTEER FIREFIGHTER ASSOCIATION'S

2021 TURKEY SHOOT

Aumsville Volunteer Firefighter Association (AVFA) will be hosting our annual Turkey Shoot a little different this year. Covid has made having our regular event a safety concern for our community and our firefighters, but we have a plan...

For your chance to win 1 of 112 turkeys, complete the ticket and return it to the Aumsville Fire Station. You may bring it in person or mail it. We must receive the ticket by November 17, 2021. All tickets will be given a bingo number. On November 19, 2021, at 6:00 pm, we will go live on Facebook ([https://](https://www.facebook.com/AumsvilleRuralFireDistrict)

www.facebook.com/AumsvilleRuralFireDistrict) to call the bingo numbers. If we call your number, you get a BINGO and win a turkey! Make sure to "like" our Facebook page, so you don't miss the live event! Don't worry, if you are not able to watch online, you will still win. District residents (Aumsville and Shaw area) can either pick up or have us deliver your turkey! If you live outside of the district, you will need to pick up your turkey at the Aumsville Fire Station on November 20th between 9:00 am – 4:00 pm.

AUMSVILLE CITY COUNCIL MINUTES

The following may not be complete minutes from these meetings. You can find the full approved minutes on our website at www.aumsville.us/city-council.

AUMSVILLE CITY COUNCIL HIGH-LIGHTS September 13, 2021

The meeting was called to order at 7:00 PM. Present in person were Council President Ceja, City Administrator (CA) Harding, and City Clerk Rogers. Councilors Casarez, Ecclestone, Lee, Seney, and Wick joined via Zoom Conference call. Council absent: Mayor Clevenger. The meeting was video recorded to be released later.

VISITORS AND PUBLIC COMMENT: There were no online attendees and one in-person attendee. There was no public comment. Login information was provided for members of the community to make public comment at this time and listen to the discussion.

CONSENT AGENDA: Council reviewed the August 9, 2021 Council meeting minutes and unanimously approved the consent agenda as presented.

City Administrator Report: Corn Festival Summary Report - PowerPoint presentation. CA Harding started the presentation with the Skate Park competition that was held on during the day on Friday, August 20th. There wasn't a lot to report other than it appeared to go well. The City contracted with CAAKES Unlimited to produce the event and we really didn't have to do much to make this event happen, CAAKES did it all.

Party in the Park later that evening was well received and well attended. Total revenue from this event was \$9,580. This included a \$5,000 sponsorship. Total expenses for the event were \$6,172 leaving \$3,408 revenue after expenses.

CA Harding reported that the parade was successful. We had \$3000 in sponsorships the expenses came to

\$2,735. There were a lot of good entries.

The festival had a total of \$27,926 in revenue that includes \$15,797 in sponsorships and donations. The rest of the revenue was from parking fees, raffle sales, corn sales, and vendor fees. The cost of corn, materials, advertising, equipment rentals, and entertainment came to around \$10,000 for a profit approximately \$17,000.

CA Harding stated that 80+ volunteers plus city staff logged in over 1000 hours total time to pull off the event.

In Summary: total of 23 sponsors for all events \$22,500; total revenue from all events \$41,000; total expenses for all events \$21,000, leaving \$20,000 to divide between service groups.

Councilor Ecclestone thanked staff for all their hard work to make the festival come together. It was something that our community was needing. Councilor Casarez suggested that we schedule a section of a regular meeting for community members to come and brainstorm with Council for the 2022 Corn Festival. He would like to see the princess court come back. CA Harding stated that we do have monthly planning meetings. Typically, these meetings are on the first Wednesday of the month at 10:30 am. Anyone is welcome to attend. They can contact city hall for meeting details or to be put on an email list.

CA Harding reported that the city has created a survey that is available on our website for people to give feedback about the event. The survey information will be used to help improve the event next year. City Staff also met for a post event debriefing while things were still fresh in their minds.

MAYOR/COUNCIL REPORTS AND INITIATIVES: Councilor Ceja reported that she and Mayor Clevenger par-

ticipated in the Congressional Redistricting meetings. Both gave statements on where Aumsville would get moved to and the effect it would have on our community.

CORRESPONDENCE: CA Harding stated that Council received a letter from the Cascade School District to thank them for their letter of support for local choice. The letter was emailed to Council prior to this meeting.

The meeting adjourned without prejudice at 7:34 PM

AUMSVILLE CITY COUNCIL HIGH-LIGHTS September 27, 2021

The meeting was called to order at 7:00 PM. Present in person were Councilor Casarez, City Administrator (CA) Harding, and Office Assistant Turpin. Councilors Ecclestone, Lee, Seney, Wick, and Mayor Clevenger joined via Zoom Conference call. Council absent: Councilor Ceja. The meeting was video recorded to be released later.

VISITORS AND PUBLIC COMMENT: There were no online attendees and no in-person attendees. There was no public comment. Login information was provided for members of the community to make public comment at this time and listen to the discussion.

CONSENT AGENDA: Council reviewed the September 13, 2021 Council meeting minutes and unanimously approved the consent agenda as presented.

NEW BUSINESS: Termination of Agreement – DEQ Mutual Agreement and Order (MAO). CA Harding explained that the MAO with the Department of Environmental Quality (DEQ) is no longer needed as it was set to be replaced by the National Pollutant Discharge Elimination System (NPDES)

permit. DEQ has issued the City of Aumsville a new NPDES permit as part of our updating our capital facilities plan. Council unanimously approved CA Harding to sign the Termination of Agreement with the Department of Environment Quality regarding the Mutual Agreement and Order as presented by staff.

First Reading of Ordinance No. 704 AN ORDINANCE ADOPTING CITY OF AUMSVILLE PUBLIC WORKS DESIGN AND CONSTRUCTION STANDARDS AND REPEALING ORDINANCE NO. 528. CA Harding explained the standards haven't been updated since 2004. Updating these was one of the Council goals. There may be minor updates in the future but that is written into the ordinance and resolution. Our old standards do not meet the Americans with Disabilities Act. CA Harding also mentioned that this will allow the city to re-coop the costs of administering these standards by increasing the fee to a flat 5% previously this was between 1-2.5% which meant that the city was at a loss for the costs of administering these standards in the past. Council unanimously approved the first reading by title only of Ordinance No. 704 adopting City of Aumsville Public

Works Design and Construction Standards and repealing Ordinance 528 as presented by staff.

Mayor Clevenger requested a second reading by title only as the first reading was unanimous. Council unanimously voted to approve the second reading and to adopt Ordinance No. 704 adopting City of Aumsville Public Works Design and Construction Standards and repealing Ordinance 528 as presented by staff.

Resolution No. 16-21 A RESOLUTION AUTHORIZING THE CITY ADMINISTRATOR TO ADMINISTER THE PUBLIC WORKS DESIGN AND CONSTRUCTION STANDARDS, AND STANDARDS AND ADOPTING A FEE. CA Harding explained that the fee is mentioned in the Ord. 704 discussion.

City Administrator Report: CA Harding discussed that we will be close to coming to Council with some sewer capital facilities plan decision points. Now that they are doing a deeper look, the costs of all the options have risen dramatically. We'll also bring forward estimated costs to ratepayers with each option.

We've completed the water rights study and hydro analysis for a new production well. We've also been in discussions with Business Oregon related to these water projects and our funding appropriated from the ARPA funds.

Council discussed the need for more storage facilities built at the Public Works shop location.

The City has received an almost \$23,000 grant from T-Mobile, one of 25 cities across the United States to receive this grant. We also received a grant from Pacific Power Foundation for \$6,000. Both grants were for the Maude's village project.

MAYOR/COUNCIL REPORTS AND INITIATIVES: Mayor Clevenger had a discussion with Representative Moore-Green about the approved redistricting maps. Aumsville will be moving to House District 17, but this won't go into effect until 2023. Moore-Green will stay involved in our community concerns until then.

The meeting adjourned without prejudice at 7:40 PM.

OPENINGS ON THE AUMSVILLE PLANNING COMMISSION

Three positions on the Aumsville Planning Commission are up for appointment. The Commission meets on an as needed basis, up to twice a month on the first and third Thursdays at 6:00 PM.

The Commission is composed of five members. Planning commission meetings are critical to managing the growth of the City of Aumsville. Commission members work with the city

planner, city engineer, staff, developers, business owners, and citizens who desire to develop new building sites or modify existing ones. They

become educated in the area of land use laws, including the city's development ordinance and comprehensive plan. Fitting all the planning pieces together can be a very exciting process. We hope you will want to be a part of planning the growth within our city and within our urban growth boundary.

To qualify, you must reside within the

city limits or urban growth boundary, or be an Aumsville business owner, and not be a city employee or other city official. If you are interested, submit an application. You can pick up an application at City Hall or find it online at

<https://www.aumsville.us/bc-pc/page/planning-commission-application>

The deadline to submit your application is November 30, 2021. Mail or email the completed application to the attention of the Planning Commission Secretary, City Hall, 595 Main Street, Aumsville, OR 97325 or eturpin@aumsville.us. Staff will be happy to answer any questions you may have at 503-749-2030.

Specials not valid on holidays, or with large groups. No substitutions.

Aumsville September 2021 Monthly Police Report

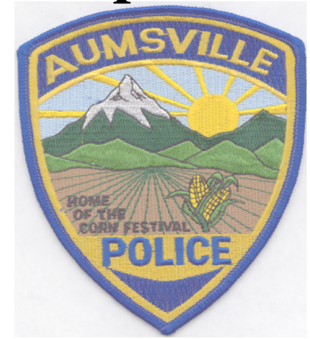

DEPARTMENT MESSAGE:

The reserves worked a total of 110 hours during the month of September 106 volunteer hours and 4 paid hours.

September brought the return of school and children walking to school. As such we have had 3 Pedestrian Crossing Enforcements, where we issued 13 citations for drivers failing to stop and remain stop while pedestrians were crossing or attempting to cross the road. If you see someone crossing the road at an intersection, not only is it polite to stop, it's the law.

Also, as our weather turns colder and the rain starts to fall, the roadway will become slick from all the oils and debris that was collected during the summer. Leave yourselves ample room to stop and maneuver around possible obstacles.

Last, a reminder that as leaves fall, home owners are not allowed to rake or sweep your leaves into the streets. This will clog the stormwater drains and plug the street sweeper as they try to keep our streets clean. Thank you for your assistance.

Blood Drive: November 17th, 11-5 PM, Aumsville Rural Fire District.

Community Cleanup: November 5th, 6th, see page 2 for more details.

STATE SENATOR’S MESSAGE

With redistricting behind us, the legislature has shifted focus toward the 2022 short session. Although I haven’t finalized anything, I’m likely going to be focused on the issues of affordable housing and the long-term care industry.

As Chair of the Senate Committee on Health Care, I’m working with my colleagues to continue our work on making health care affordable and accessible.

This month, I held my first two constituent coffees and was pleased to meet new neighbors and discuss the issues facing our community. My next constituent coffee will be Tuesday, November 9th, at 5:30pm at Primos Taqueria (834 N. Main St. Independence) and Saturday, November 13th, at 9:30am at Ricks Place (123 Main St.

East Monmouth). A Spanish translator will be available on Nov. 9th.

In the past month, I have visited nearly 20 businesses across our community and the message is clear – businesses are in the process of recovering but face challenges around workforce shortages, delays in the supply chain and more. But there is hope – businesses have found unique ways to reach customers, support employees, keep their doors open and see the light at the end of the tunnel. Our local economy is the backbone of our community and I’m committed to supporting our local businesses however I can.

Please feel free to reach out to me at sen.debpatterson@oregonlegislature.gov. In this season of harvest, we give thanks for our communities and the bounty of our Oregon fields. Wishing you and your loved ones all a Happy Thanksgiving!

AUMSVILLE POLICE TOY DRIVE

Christmas will be here soon, and the Aumsville Police Department is once again having a toy drive for children in need in Aumsville.

We are gathering new, unopened gifts for children. (Cash works too!) The gifts will be wrapped and delivered to children within Aumsville city limits. Your contribution is essential to the continued success of this worthwhile program.

Each year, with the help of Aumsville residents and businesses, the Police Department has gathered cash and toys to provide many children with a merrier Christmas than they might have had. They could use some wrapping paper and scotch tape too.

If you have questions, contact Police Support Specialist Brenda Campbell at 503-749-2188.

Toy collection barrels will be placed at the following locations in early November:

- Police Department
- Riverview Community Bank
- G3
- Tornado Fitness
- Dollar General

Other locations may be added. We will need volunteers for toy wrapping, Santa visits, and Christmas in the Park as we get closer to the holidays. Contact either the Police Support Specialist at 503-749-2188, or City Hall at 503-749-2030 for more information.

What makes a great bank?
Great employees.
