A Great Place to Live!

Who Ya Gonna Call? Corn Huskers! Corn Festival Parade 2022

Winner, winner, CORN for dinner!

Grand Theme winner was Mid Columbia Bus Company with their Ghost Busters Bus. The winner of the Most Creative Youth entries was Girl Scout Troop 10770. And the Judges Choice winner was Santiam Towing and Recovery. The final category, Mayor's Choice had the West Coast Sweethearts as winners!

Some of the organizations that were able to spend time volunteering were Santiam Hospital, The Historical Society, Girl Scout Troop 31890, Aumsville High School, Aumsville Elementary, Marion County Search and Rescue, Exchange Club, Miss Oregon OT 2022, Aumsville Police Department, Aumsville fire Department, Aumsville City Hall and Public works staff. And a big thank you to the wonderful residents of Aumsville that volunteered as well!

volunteered: 500.75

Party in the Park was once again a hit!

The weather cooperated and kicked off the Corn Festival weekend with boot scootin' country music. We'd love to hear your feedback on the event. Email Ron Harding at rharding@aumsville.us with your feedback.

CORN FESTIVAL GAME WINNERS

Corn Eating Contest

Ages 8-11

- 1st- Josiah Garcia
- 2nd-Rowan O'Brien
- 3rd- Rowan Fuller

Ages 12-15

- 1st- Gemini Garcia
- 2nd- Antonia Arizmendez
- 3rd- Liz Vickers

Ages 16 +

- 1st- David Neal
- 2nd- Ashton Ruiz
- 3rd- Karen Witherspoon

Balloon Toss- 11yrs + younger

- 1st-Riley Deeds + Jaime Deeds
- 2nd-Claire Hatfield + Deleyzaa Ramirez

3rd-Wesley Johnson + Aubree Johnson

Egg Toss

12-15 yrs

- 1st- Kaitlyn Webb + Alexis Cruz
- 2nd- Antonia Arizmendez + Devin Hatfield
- 3rd- Ty Finnell + Kaden Deeds

16 yrs+

- 1st- Brian Champaigne + John Behringer
- 2nd-Terry Santos + Isaac Esparza
- 3rd-Brianna Chytka + Kevin Thompson

Egg Race

6-12 yrs

- 1st- Ruby Cuevas

2nd- Annalize Mees

3rd- Indy Champagne

13yrs +

- 1st-Kaitlyn Webb
- 2nd-Skyler Sutton
- 3rd- Myron Oslie

Kegg Toss

Boys 12-15

- 1st -Gavin Hall
- 2nd-Cody Soschadis
- 3rd- Aiden Kline

Girls 12-15

- 1st-Cynthia Baney
- 2nd- Kaitlyn Webb
- 3rd- Brithania Cuevas

Ladies 16 yrs+

- 1st-Sheryl Branchfield
- 2nd-Mercedes Cuevas
- 3rd- Tonya Baker

PUBLIC NOTICE—MODIFICATION TO SDR

NOTICE IS HEREBY GIVEN that the Aumsville Planning Commission, on **Thursday, September 15, 2022** at 6:00 p.m. will hold a public hearing at the Aumsville Community Center, 555 Main St., Aumsville, OR, on the following:

APPLICANT: Mike Flewelling

REQUEST: Requesting approval of a Site Development Review (SDR) to change landscaping from the approved to including artificial turf.

LOCATION: 9991 Puma Street, Aumsville, OR.

CRITERIA: The Development Code ADO 21.06

Persons wishing to speak for or against the request may appear in person or by video conference. Written comments may be submitted to the City of Aumsville at 595 Main Street, Aumsville Oregon, 97325.

The documents and criteria are available for inspection at City Hall. A copy will be provided at reasonable cost. The Planning Commission staff report will be available for inspection on September 16th at no cost, and a copy will be provided at reasonable cost.

For information contact Ron Harding, City Administrator, at 503-749-2030

AUMSVILLE HISTORICAL SOCIETY NEWS

Some time ago, Aumsville Historical Society received several copies of *BEYOND REASON* by John R. Rose (published in 1993). The small town of Turner hired its first officer-of-the-law in September 1957. Twenty seven year old John Rose was a former paratrooper and a graduate of a police academy in his native Oklahoma. He was married and had several children.

Police Chief Rose was paid \$300 a month plus a \$50 allowance for gas. He was expected to use his 1952 Plymouth station wagon as a police car. A siren and red light were soon installed. Metal Turner PD signs were eventually attached to the front doors. There was no police radio. His phoneless office was on the second floor of the fire

hall. The Turner switchboard took messages for him. This included the threats he immediately began to get. There were also face to face confrontations. Some of the residents strongly objected to any police presence. Chief Rose immediately began to respond to calls for assistance. It was a 24-hour a day job. An ongoing middle-of-the-night disturbance was caused by drivers racing through town. People in custody had to be taken to Salem for booking or medical assistance.

The Rose family lived in Salem, but they bought the first house that became available in Turner. Rocks began to fly through their windows. All the furnace oil in the tank disappeared. Lack of household money was a major concern. Chief

Rose brought about some good changes to Turner including the Police Athletic League which provided activities and guidance for young people.

The AHS museum will be open on Saturdays from 11-2 pm through October, except on holiday weekends. AHS meetings will resume in October. For information or to visit the museum by appointment, please contact Ted Shepard at 503-749-2744.

AUMSVILLE CITY COUNCIL MINUTES

The following may not be complete minutes from these meetings. You can find the full approved minutes on our website at www.aumsville.us/city-council.

July 25, 2022 Meeting Highlights

The meeting was called to order at 7:00 PM. Present in-person were Councilors Casarez, Ceja, Ecclestone, Seney, Mayor Clevenger City Administrator (CA) Harding, and City Clerk Rogers. Councilors Lee, and Wick joined via Zoom Conference call. Council absent: None. The meeting was video recorded to be released later.

PRESENTATION: Mayor Clevenger introduced and welcomed Angie Allbee, Section Manager for the Oregon Psilocybin Services section, housed within the Oregon Health Authority (OHA) Public Health Division's Center for Health Protection. Ms. Allbee gave an overview of the Oregon Psilocybin Service Act (OPSA) stating that they plan to start accepting applications on January 3, 2023. Her agency will be administering the licensing of the psilocybin service centers. She stated that the regulations haven't been solidified and they are still working on creating the rules. She encouraged Council to visit the website to view the administrative rules that have already been adopted.

VISITORS: There were no in-person visitors and no online attendees.

NEW BUSINESS: Council reviewed the Westech Engineering Proposal for Wastewater Treatment Plant Improvements Preliminary Engineering and Environmental Reports JO 2969.3010.0. CA Harding explained that the city is working to meet the new requirements of our NPDES permit issued by the Department of Environmental Quality (DEQ). Recently DEQ approved the city wastewater facility plan for 2022. The next step for the city is to have a completed preliminary engineering report and an environmental study submitted to DEQ by October 31, 2022. This will

enable us to obtain funding from state and federal agencies. Staff has worked closely with Westech Engineering to access grants and discounted loans to assist with the wastewater facility planned improvements. He explained that the work proposed is essential to meeting those goals. **Council approved 7-0** to authorize the city to enter into a contract with Westech Engineering for Wastewater Treatment Plant Improvements Preliminary Engineering and Environmental Reports JO 2969.3010.0 for \$81,763.00.

Council reviewed the service contract between the City of Aumsville and the Mid-Willamette Valley Council of Governments (MWVCOG). CA Harding stated that the Ford Family Foundation, Oregon Community Foundation, and state legislature HB 2345 have provided funds to assist the city in leveraging and administering the American Rescue Plan Act (ARPA) funds. These funds are at a 50% match for cities with populations under 35,000. The MWVCOG charges \$82.00 per hour plus materials and expenses for grant assistance. With the grants available, the city can use this service for \$41.00 per hour plus travel expenses. The contract with the MWVCOG will allow the city to draw on these resources as needed.

CA Harding explained that we are currently administering four ARPA grants and are continuing to look for additional funding grants for the \$23,000,000 wastewater facility. This contract will provide another working group for us to help access some of the available funds at a low cost. **Council approved 7-0** to authorize the City Administrator to sign the MWVCOG contract for grant services.

CA Harding presented a draft letter to the Oregon State Historical

Preservation Office (SHPO). He explained that it is part of complying with state laws that protect cultural resources. The upcoming upgrades to the Public Works facility will require some digging and grading. The state requires that the city authorizes SHPO to conduct an archaeological investigation.

Council approved 7-0 to authorize the City Administrator to sign a letter to the Oregon State Historical Preservation Office on behalf of the City of Aumsville, authorizing SWCA Environmental Consultants to conduct archaeological testing on city-owned at 955 Olney Street.

Council discussed the Oregon Psilocybin Service Act and concluded that this topic should be referred to the voters to decide and that the marijuana ban should also be referred back to the voters at the same time.

Council approved 7-0 to authorize staff to draft a ballot measure to refer the prohibition of psilocybin-related businesses within Aumsville city limits to the voters in the November 8, 2022 General Election.

Council approved 7-0 to authorize staff to draft a ballot measure to refer the marijuana ban back to the voters in the November 8, 2022 General Election.

CITY ADMINISTRATOR REPORT: CA Harding reported that one of the booster pumps went out in our water system. Public Works will be getting it repaired and back online as soon as possible. With this pump offline, it puts a lot of load on the other pumps. It was decided that CA Harding will post on social media asking residents to reserve for the next few days until the pump is back online.

Adjourned at 8:37 PM

Friends –

We see the transition to Fall underway as it is now the beginning of September and another summer has flown by! As the children prepare to return to school, I am grateful they will be able to attend full-time and in person this year. The impact from the school closures continues to effect Oregon's children. As I write this, I am planning my visit to the Oregon State Fair which runs from August 26th – September 5th. It is

always a highlight to see the 4-H displays and the FFA participants, as well as make a stop at the Oregon Dairy Women's booth for ice cream! Looking forward legislatively we have September Legislative Committee Days on the calendar. They will be September 21st-23rd. For more information regarding legislative days, please visit the Oregon Legislative Information System (OLIS) at <https://olis.oregonlegislature.gov>.

You may have noticed the Gold Man on top of the Capitol Building has gone dark while renovations to the 1938 portion of the Capitol continue. The Oregon Pioneer (as he is known) will not be illuminated at night until construction in complete – hopefully in January of 2025. Personally, I will miss seeing this beautiful beacon atop our Capitol and

look forward to it shining bright once again. Hopefully your summer has included recreating in our beautiful outdoor recreation areas and enjoying the bounty provided to us by local Oregon farmer's. In the interim if we can be of help to you as you navigate your state government please call or email. My door is always open and my staff, Pam McClain, Lena Prine, and I welcome your participation. As your state representative, I am here to listen, respond, and lead.

Raquel Moore-Green
Representative, HD19 South Salem, Turner, and Aumsville

Phone: 503.986.1419 | Email: rep.raquelmooregreen@oregonlegislature.gov

STATE SENATOR'S MESSAGE

August has been a busy month! As the Chair of the Senate Health Care Committee, I am preparing for a committee informational session at 8:30am on September 22nd regarding the continuing work of the Pharmaceutical Drug Affordability Board and updates on hospital, long-term care, and

behavioral health capacity. The session is open to the public and will be streamed live and recorded on the Oregon Legislature Information System. I also know that the homelessness crisis is a top issue in our community. Recently released data from the Oregon Health Authority reveals the severity of the issue and highlights the need for more resources to address these challenges. As a State Senator, I have fought for more than \$9 million for affordable housing and public safety and plan to build on this work going forward.

This month was also filled with celebrations and community events. I had the pleasure of meeting many neighbors, first responders, and other elected officials at the Marion and Polk

County National Night Out events and the 50th anniversary celebration of Salem's Civic Center. I also had the honor of speaking to the Salem Chamber of Commerce about key issues facing the legislature, such as public safety, housing, health care, and support for small businesses. I know that small businesses are the backbone of our local economy and remain committed to supporting them however I can.

I am excited to continue this work going forward. Please feel free to contact me at sen.debpaterson@oregonlegislature.gov

Senator Deb Patterson

2022 ELECTION MEASURE INFORMATION

On August 8th, 2022 City Council voted to refer the question to voters for the following measures:

CITY OF AUMSVILLE BALLOT MEASURE 24-470

CAPTION: Prohibits psilocybin-related businesses within Aumsville

QUESTION: Shall Aumsville prohibit psilocybin-related businesses from operating in the City?

SUMMARY: State law allows for the manufacturing, transportation, delivery, sale, and purchase of psilocybin, the psychedelic drug found in certain mushrooms. State law provides that a local government may adopt an ordinance to be referred to the voters to prohibit the establishment of licensed psilocybin product manufacturers and/or psilocybin service centers.

The Aumsville City Council adopted an ordinance to refer to the voters prohibiting psilocybin-related businesses from operating in Aumsville. Approval of this measure would prohibit the establishment of psilocybin product manufacturers and psilocybin service centers within the Aumsville city limits.

Explanatory Statement:

Approval of this measure would establish a prohibition on psilocybin product manufacturers and psilocybin service centers within the City of Aumsville. Psilocybin is the psychedelic drug derived from certain mushrooms. Oregon voters legalized psilocybin through Ballot Measure 109 in 2020, which directs the Oregon Health Authority to develop a psilocybin licensing and regulatory program for the state by January 2, 2023.

Ballot Measure 109 allows a local government to adopt an ordinance to be referred to the voters that prohibits the establishment of psilocybin-related businesses. The Aumsville City Council has adopted such an ordinance.

~

CITY OF AUMSVILLE BALLOT MEASURE 24-471

CAPTION: Allows certain marijuana-related facilities within Aumsville

QUESTION: Shall Aumsville allow medical marijuana dispensaries, marijuana retailers, marijuana processing sites, marijuana producers, marijuana processors, and marijuana wholesalers in the City?

SUMMARY: State law allows for the operation of registered medical marijuana processors and dispensaries as well as for the operation of OLCC-licensed recreational marijuana producers, processors, wholesalers, and retailers.

State law also permits the voters of a city to adopt an ordinance that prohibits the establishment of any of these registered or licensed facilities within the city.

Aumsville voters adopted Ordinance 644 in November 2016 prohibiting such registered and licensed facilities within City limits. If approved, this measure would repeal and replace Ordinance 644 to allow registered medical marijuana dispensaries, marijuana retailers, medical marijuana processing sites, marijuana producers, marijuana processors, and marijuana wholesalers to operate within the City. Such facilities would still have to comply with other applicable laws, such as zoning code requirements.

Explanatory Statement:

Approval of this measure would allow registered medical marijuana dispensaries, marijuana retailers, medical marijuana processing sites, marijuana producers, marijuana processors, and marijuana wholesalers to operate in the City of Aumsville and continue to prohibit

State law allows for the operation of registered medical marijuana processors and dispensaries as well as for the operation of OLCC-licensed recreational marijuana producers, processors, wholesalers, and retailers.

Aumsville voters approved a ban on medical marijuana processing sites, medical marijuana dispensaries, marijuana producers, marijuana processors, marijuana wholesalers, and marijuana retailers on November 8, 2016, which was enacted as Ordinance 644.

Under ORS 475C.457, a city council may repeal an ordinance that prohibits the establishment of certain types of marijuana-related businesses in the city, or the council may submit this repeal to the voters of the city. As such, the Aumsville City Council has referred this measure to the voters, which will effectively repeal Ordinance 644 and replace it with a new ordinance that will allow for the operation of registered medical marijuana dispensaries, marijuana retailers, medical marijuana processing sites, marijuana producers, marijuana processors, and marijuana wholesalers in the City.

If this measure passes, the City will be eligible to receive state marijuana tax revenues. If passed, this measure will go into effect 30 days after its approval by the voters.

~

CITY OF AUMSVILLE BALLOT MEASURE 24-472

CAPTION: Authorizing tax on recreational retail sales of marijuana items

QUESTION: Shall Aumsville impose a tax on the sale of marijuana items sold by recreational retailers as permitted by state law?

SUMMARY: Under a state law, cities may adopt ordinances imposing up to a three percent tax or fee on the sale of recreational marijuana items in the city by state-licensed marijuana retailers as long as the ordinance is referred to the voters for approval at the next statewide general election. This measure seeks the required voter approval for the City to impose a tax on the retail sale of all marijuana items sold by an OLCC licensed marijuana retailer in the City in an amount equal to the maximum allowed by state law, which is currently equal to three percent.

If this measure is approved, the City would be authorized to impose a three percent tax on recreational marijuana sales in Aumsville and increase the amount of the tax if and when state law permits such increases.

Explanatory Statement:

Approval of this measure would impose a three percent tax on the sale of marijuana items by a marijuana retailer within the City and permit increases in the amount of the tax if and when state law permits such increases.

Under Measure 91, adopted by Oregon voters in November 2014, codified in ORS chapter 475C and amended by the Legislature, the Oregon Liquor Control Commission (OLCC) must license the retail sale of recreational marijuana. ORS 475C.453 provides that a city council may adopt an ordinance imposing a tax or fee on marijuana items (which include marijuana concentrates, extracts, edibles, and other products intended for human consumption and use) sold in in the city by retailers licensed by OLCC, but the council must refer that ordinance to the voters at a statewide general election. The Aumsville City Council adopted an ordinance imposing a tax in an amount equal to the maximum permitted by state law on the sale of marijuana items by a retail licensee in the City, and, as a result, has referred this measure to the voters.

Under state law, if the City prohibits the establishment of medical marijuana processors, medical marijuana dispensaries, recreational marijuana producers, recreational marijuana processors, or recreational marijuana retailers, the city may not impose a tax or fee on the sale of recreational marijuana. The Aumsville City Council has also referred to voters for the November 8, 2022 election, a measure to allow these facilities in the City. The tax proposed by this measure will be collected only if the City does not have a prohibition in place on any of the marijuana facilities described above. In effect, if the voters do not approve the measure to allow these types of marijuana facilities in the City, this tax measure will not go into effect.

If approved, the tax would be paid by anyone buying recreational marijuana from a licensed retailer located in the City regardless of whether they are an Aumsville resident or not. The current tax rate would be equal to three percent of all retail sales and could be increased if and when state law permits such increases.

DEPARTMENT MESSAGE:

The reserves worked a total of 67 hours during the month of July: 67 volunteer hours and 0 paid hours. We are still looking to bring on more Reserve Officers to supplement department needs. If this interests you, please contact us for any questions you may have.

Our newest Officer, Angela Robinson, will be starting the DPSST (Department of Public Safety Standards Training) Academy on the 15th of August to further her training.

The Special Olympics Regional Track and Field Competition was held in Salem on July 16th. The Aumsville Police Department, along side Stayton PD and Salem PD, participated with handing out awards to the competitors. This is an incredible event and we are honored to be a part of it.
