The City of Aumsville does not, and shall not, discriminate on the basis of race, color, religion (creed), gender, gender expression, age, national origin (ancestry), disability, marital status, sexual orientation, or military status, in any of its activities or operations. The city is an equal opportunity employer.

SUMMER PROGRAM THANKS!

Summer is officially over, bringing school books and autumn leaves. We couldn't let time pass without saying a big "Thank You!" to all the volunteers who helped make our summer program a success.

The Day Camp and Movies in the Park ran from June through August and had between 30 and 80 kids attending. Thank you to Dianne Lucas and Kendal Berning for chairing the Day Camp and Movies in the Park. They organized the presenters, activities, and volunteers. Thank you to the Aumsville Exchange Club for their help making lunches for Day Camp and doing concessions at Movies in the Park.

MAYOR'S MESSAGE- HEADING INTO FALL

What a fantastic community summer we have had. The corn festival had the best corn ever, the beer garden brought out

more community members that ever (with zero incidents), the super hero carnival was larger than ever, our kid's programs and movies in the park were a hit as always, and we saw the gradual addition of a food park over at Lucky You. I am extremely excited for the growth and change we are seeing in the communi-

ty. Aumsville is becoming both more diverse and more inclusive than ever. This is a huge step forward for us. Our fall/winter events are moving full steam ahead, and I am personally excited for the Christmas tree lighting. The ugly Christmas sweater suit might make another appearance (or maybe I'll get a new one).

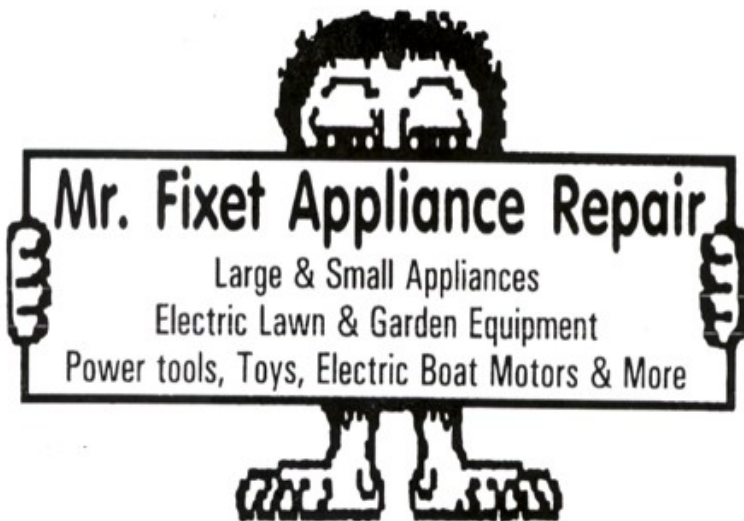

As the weather starts to cool down, the rain sets in, and school resumes I would encourage everyone to be extra aware and cautious while driving. The City has been working diligently to move forward with more crosswalks on 11th St as soon as possible. The safety of

Aumsville's children is, obviously, of paramount importance. In the meantime, I would ask everyone to do their part. Slow down when children are around. Drive cautiously and defensively in our residential areas. Know what time it is and if you can expect to see children getting out of school. Be aware of fog and reduced light conditions. We all have a roll to play in the safety of Aumsville's Children.

This message was provided by Mayor Clevenger and does not necessarily represent the opinions of the entire council.

Newsletter Changes: We are trying out a new method of delivery for our newsletter. Over the next three months, newsletters will be mailed directly to our residents. At the end of the three-month trial period, we will ask for feedback on this delivery method. Thank you in advance for your participation!

Legislative Update

STATE SENATOR
DENYC BOLES

Over the past month I had a chance to meet many of you and learn what's on your mind when it comes to issues that matter to you at District 10 "Community Conversations". In addition, I received hundreds of surveys back that were mailed with my summer newsletter. Most of those returned shared extensive thought regarding what they'd like to see for the future of our state and I enjoyed reading all your thoughtful comments.

From Aumsville to Turner to Salem to Independence and Monmouth, we had great turnout for community conversations over the summer. We talked

about the cumulative effect of policies passed last session and their impact on working families. There were concerns around increased regulations and the growth of government. We had some lively talks around cap and trade with strong opinions on all sides of that issue. Hearing from people in this community is so valuable to me. Thank you!

If you missed out on attending these conversations, the office is open, and my staff is happy to set up an appointment where we can sit down together. Legislative days will be held November 18-21, 2019 which is always a nice time to visit the capitol. It's not nearly as hec-

tic as session, but you still get a chance to see committee meeting in action, visit our office, and perhaps see a floor session is one is held.

Sincerely,
Denyc Boles

STATE REPRESENTATIVE'S MESSAGE

Hello Aumsville!

Our fall weather is upon us and with it comes new schedules and activities. For those of us in the Legislature we will have three sets of "legislative days" beginning in mid-September. During this time your legislators are in the building attending committee meetings, hosting meetings with constituents, and attending other Capitol business.

My committee assignments are:

- House Judiciary Committee,
- House Health Care Committee,
- House Health Care Sub-committee on Behavioral Health

It's a privilege to have been assigned to these committees and I hope that some of the work I have done over the last several years will help my understanding, and bring value added to the discussions that will take place. Working and volunteering in the business, non-profit, faith, political, and municipal communities has provided me unique opportunities to see these communities come together to effectively address some of the more pressing local issues – housing, homelessness, public safety, and education.

I will be hosting some listening sessions in October - the 10th, and 17th in Turner and the 14th and 28th in Aumsville. Once details are finalized you will find them on my legislative website at: <https://www.oregonlegislature.gov/moore-green>

I look forward to meeting many more of

you and hearing about your goals and challenges with state government.

It is an honor and privilege to serve you at the State Capitol, please know my door is always open and my staff, Pam McClain, and I welcome your participation.

All my best, rmng

Raquel Moore-Green
Representative, HD19 South Salem,
Turner, and Aumsville

AUMSVILLE HISTORICAL SOCIETY

Cyndi Ganfield, principal of Aumsville Elementary School, recently gave Aumsville Historical Society a group of trophies, which had been on display at the school. One was awarded for a winning commercial float entry in the 2004 Corn Festival Parade. The rest were won by Aumsville Elementary and Aumsville High School in sports tournaments from 1943-1947 and in 1951. The story of the Aumsville High Rangers can be read in a news clipping from a 1947 issue of the CAPITAL JOURNAL. The

Rangers had fourteen consecutive football victories in two seasons and won the county title, but they lost to Amity in district competition. Thus, the trophy is

a second-place award.

Former AHS member, Audrey Crabtree Scott, passed away on August 11th. AHS extends its sympathy to the family. She was born in Independence, Oregon in 1927. She married Clarence Scott in 1947. He had been a submarine sailor in WWII. As a civilian, he did a

great deal to bring recognition to those who served in that segment of the US Navy. Audrey was very proud of her pioneer heritage. The Crabtree family settled at the Forks of the Santiam River.

The best known Crabtree was Joab, who was born in Tennessee in 1799. During Oregon's early years, many small communities did not have resident ministers. Rev. Joab Crabtree was a circuit rider, who served several communities in present-day Linn County. He became the first chaplain of the Oregon State Legislature.

AHS will meet at 6:30 PM, Thursday, October 10th in the community center. Please note the change to an earlier time. Everyone is welcome. The museum will close for the winter at the end of October and reopen in April.

To arrange a visit by appointment, please call Ted Shepard 503-749-2744 or Karlene Santibanez 503-749-2585.

AUMSVILLE GETS GRANT

The City of Aumsville was awarded a \$3,500 grant to go towards a community events tent. The city organizes a lot of events at the parks, such as the holiday tree lighting and Easter egg hunt. This grant will allow us to purchase a large tent in case of inclement weather.

The Pacific Power Foundation is one of the largest utility-endowed foundations in the United States. The foundation was created in 1988 by PacifiCorp, an electric utility serving 1.8 million customers in six Western states as Rocky Mountain Power (Utah, Wyoming and Idaho) and Pacific Power (Oregon, Washington and California). The

foundation's mission, through charitable investments, is to support the growth and vitality of the communities served by Rocky Mountain Power and Pacific Power. For more information, visit www.rockymountainpower.net/foundation or www.pacificpower.net/foundation.

IS YOUR BUSINESS DISASTER READY?

By Kathleen Silva, Marion County Emergency Manager

Disasters happen. It's not a matter of if, but when. From the potential Cascadia Earthquake, to snow and ice, floods or droughts – there are many types of disasters we can encounter at almost any time. Personal and business preparedness is essential – help can be hours or even days away.

In Marion County we've seen significant snow and ice, flooding, and even an EF2 tornado in Aumsville. Unfortunately, in today's world we also have to be prepared for man-made threats.

September was National Preparedness Month. It's an annual reminder to make sure our homes and businesses are ready if disaster strikes. The American Red Cross offers the Ready Rating (readyrating.org) program that helps businesses take simple steps to prepare for emergencies.

Membership in the Ready Rating program is free and helps businesses assess hazards their company might be vulnerable to, connect with community resources, and create an emergency action plan.

Part of your emergency action plan will be to create a Continuity of Operations Plan (COOP). Your COOP will help you plan how to continue business operations following an emergency. You'll consider everything from determining your critical business functions, to creating evacuation plans, designating essential staff, identifying outside resources, storing important records, and planning for technology and communications needs.

At Marion County, departments are currently updating COOP plans. We want to ensure that our offices can continue to operate and maintain the programs and services our communities rely on. We recommend that all organizations review and update their COOP plans annually.

Making sure employees are prepared at home is also important. If your COOP plan relies on a certain number of staff to operate, employees will need to know that their own homes and families are safe before they will report to work.

Families are encouraged to have enough emergency supplies for a minimum of two weeks. In fact, we emergency preparedness professionals recommend having three emergency kits – a personal 72-hour go bag, a 7-day work kit, and a home kit with the suggested two weeks of supplies for each household member. Recommended kit items include water, food, medicine, first aid supplies, flashlight, radio, clothing, and more as needed.

Emergency preparedness doesn't have to be complicated, but it does require some thought and planning on your part. Be aware of potential risks, make a plan, build a kit, and stay informed. Remember, we're all in this together and there are many resources available to help you prepare.

Kathleen Silva can be reached at (503) 365-3133 or ksilva@co.marion.or.us. For additional emergency preparedness information, visit: www.co.marion.or.us/PW/EmergencyManagement.

ACTIVE SHOOTER PREPAREDNESS

We hope you never are involved in this type of a scenario, but unfortunately these types of events happen. Be aware. Be prepared. Don't be a victim.

An active shooter/hostile intruder is an individual actively engaged in killing, or attempting to kill, people in a confined and populated area by any means. There is no pattern or method to their selection of victims. Most active shooter situations are unpredictable, evolve quickly, and are over within minutes. Knowing what to do can save lives.

You have three options:

1. Run

- Have an escape route and plan in mind
- Leave your belongings behind
- Evacuate regardless of whether others agree to follow
- Help others escape, if possible

- Do not attempt to move the wounded
 - Prevent others from entering an area where the active shooter may be
 - Keep your hands visible
 - Call 911 when you are safe
- ### 2. Hide
- Hide in an area out of the shooter's view
 - Lock door or block entry to your hiding place
 - Silence your cell phone (including vibrate mode) and remain quiet
- ### 3. Fight
- Fight as a last resort and only when your life is in imminent danger
 - Attempt to incapacitate the shooter
 - Act with as much physical aggression as possible
 - Improvise weapons or throw items at the active shooter
 - Commit to your actions. Your life depends on it

Information to provide to 911 dispatchers:

- ⇒ Location of the active shooter
- ⇒ Number of shooters
- ⇒ Physical description of shooters
- ⇒ Number and type of weapons shooter has
- ⇒ Number of potential victims at location

When Law Enforcement arrives:

- ⇒ Remain calm and follow instructions
- ⇒ Drop items in your hands (e.g., bags, jackets)
- ⇒ Raise hands and spread fingers
- ⇒ Keep hands visible at all times
- ⇒ Avoid quick movements toward officers, such as holding on to them for safety
- ⇒ Avoid pointing, screaming, or yelling
- ⇒ Do not ask questions when evacuating

For more information and access to reference materials to print and share visit www.dhs.gov.

HEDGES AND FENCES AND TREES, CAN'T SEE, OH MY!

This message is for all homeowners and renters. The main topic of this article is about the plantings in the front yards and especially those on corners. Taller plantings on corners are a traffic hazard because they make it difficult to see traffic coming as well as pedestrians along the sidewalk. Ultimately, I don't want to have to knock on your door to ask you to trim up your hedges or move your fence.

We recognize that many of you have put a chunk of money, blood, sweat, and tears into your plantings and landscape. Even if it's been there for 20+ years, it still needs to be in compliance. You don't know what the rules are until you ask or someone tells you, so here is a short breakdown of Aumsville's ordinances regarding these items:

Clear Vision Area:

Clear vision areas protect sight lines for the safety of cars, people, and bicyclists.

A clear vision area is a triangular area, two sides of which are lot lines starting from the corner at the intersection and measured for a distance of 20 feet.

A clear vision area shall be maintained on corner lots at the intersection of public or private streets, and at the intersection of any street with an alley or driveway.

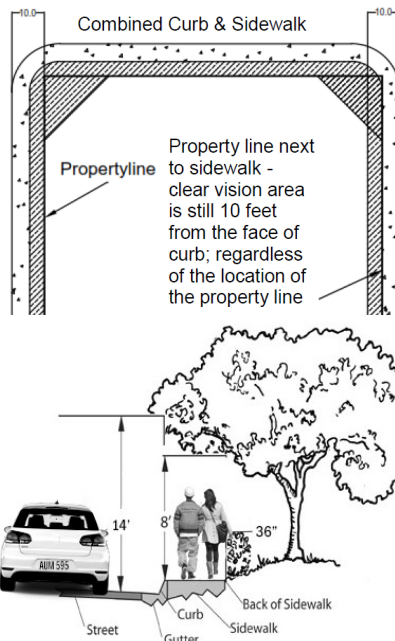

Clear vision shall also include all areas adjacent to a street, ten feet from the face of the curb, regardless of property line.

Nothing exceeding 36 inches in height can be inside the clear vision area. Trees may be located in this area, provided all branches and foliage are removed up to a height of 8 feet above the ground.

Hedges (includes fences and walls):

Hedges shall be planted in compliance with the Clear Vision Area requirements in the clear vision area;

Front yard hedges shall not exceed four feet

in height outside of the clear vision area, which has a limited height of 36 inches;

Hedges shall be maintained to be healthy and not overgrow onto adjacent properties or sidewalks. Plants forming hedges shall be replaced within 6 months after dying or becoming diseased;

Hedges and other landscaping may be established to provide visual screening and privacy within the side and rear yards; while leaving front yards and building entrances mostly visible for security purposes.

I know that some of these rules may be difficult to understand and I am happy to come out and talk to you and help guide you into compliance with these

rules. I can be reached at soslie@aumsville.us or at 503-749-1185. The complete ordinance text can be read at the City's website at www.aumsville.us. Ord. 373, section 22.

Steve Oslie,
Public Works Director

2020 Calendar \$15.00

Purchase your calendar now at the Aumsville Fire Station

Aumsville Rural Fire Protection District's District Link Support Team and Savin' Juice have partnered to create this unique calendar. District Link is raising funds to purchase three AED units and Savin' Juice is raising funds to help further their mission. District Link would like to thank everyone who helped make this calendar.

We could not have done this without the generosity of our sponsors. Please help us thank:

- Accounting & Bookkeeping Solutions
- Aumsville Animal Clinic
- Aumsville Volunteer Firefighters Association
- Bentley's Coffee
- C & C
- Evergreen Veterinary Hospital
- Freres Lumber
- Nichol Plumbing
- Salem Printing & Blueprint, Inc.
- Stayton Veterinary Hospital
- The Pizza Peddler
- Tornado Fitness
- Transformer Technologies

Without the donations from these generous sponsors, this wonderful calendar would not have happened. We thank you so much!

Thank you to Salem Printing & Blueprint, Inc. for assisting us in the creation and printing of this calendar. Thank you to Chief Hari and the Aumsville Rural Fire Protection District for allowing us to do this fun little project. We would also like to thank you for purchasing this calendar and supporting our project to purchase AED units for Aumsville Rural Fire Protection District.

Aumsville Rural Fire Protection District

490 Church Street, P.O. Box 247, Aumsville, Oregon 97325-0247
(503) 749-2894 – Fax (503) 749-2182 – Email aumsville@aumsvillefire.org

Good Day, neighbor!

It's time for one of the most important safety items you can do around the house – check your smoke alarm! Fire Prevention week begins October 6. Typically, we like to associate this very important event with spring and fall “change your clocks – test your smoke alarm” reminders, but as the Chief I would be remiss if we didn't address this during Fire Prevention Week. If you cannot test your alarm, or don't know how, or are unsure if it even works, call us here at the station at (503)

749-2894 and we'll come to you!

Thinking about lighting up your fireplace or wood stove? When was the last time you had your chimney swept? Flue fires are a regular thing for us in the fall as people light up for the first time, and you can prevent many of these by having your chimney cleaned by a professional. That may in fact be you, but I would never recommend someone climb around on their roof, since we handle emergency medical calls also, so there's that. To quote Forrest Gump, “just one less thing.”

Fall will bring our first frost(s), so keep in mind in spite of the crisp beauty, hazardous driving conditions may exist. Wear your seat belt, it just may save your life.

Mark your calendars for the Blood Drive on October 4th and don't forget the annual Turkey Shoot! Win your bird! November 23, 2019.

Have a safe month!

Chief Hari

POLICE CORNER

Richard Schmitz, Chief of Police
503-749-2188

August 2019 Police Report

The reserves worked a total of 104 hours during the month of August: 93 volunteer hours and 11 paid hours.

We conducted 3 Pedestrian Crossing Enforcements in August, during which we issued 26 Crosswalk Violations and issued 17 warning for Crosswalk Violations. During the same Traffic Enforcements, we also issued 16 other traffic citations for speed, cell phone use, and license violations, while issuing a total of 53 warnings for misc. violations.

Our National Night Out went well, as we served over 400 hamburgers and over 200 hotdogs. I would like to thank all those who participated in making it a huge success!

The Corn festival was also a success this year, with no large problems. It was nice that "Benny" made his presence known by passing out several \$100 bills.

As September approaches, school is back in session, the weather is getting wetter, and the days shorter. Please remember these facts while driving. We ask that you please take your time, drive safe, and watch for kids.

AUMSVILLE CITY COUNCIL MINUTES

The following may not be complete minutes from these meetings. You can find the full approved minutes on our website at www.aumsville.us/city-council.html

AUMSVILLE CITY COUNCIL

Minutes – August 12, 2019

The meeting was called to order at 7:00 PM. Council present was: Mayor Clevenger and Councilors Bedwell, Casarez, Case, Ceja, Purdy, and Seney. City Administrator Harding (CA Harding), and City Clerk Rogers (CC Rogers) were also present.

VISITORS: There were seven visitors in the audience and two asked to speak during the public comment period.

US Census Presentation by Kristen Stein: Ms. Stein gave an overview of the upcoming 2020 Census project. She stated that the process is private and confidential and explained that participating in the Census count helps to determine state funding. CA Harding asked when they will start going door-to-door. She answered that Census workers will be in town after April 1, 2020.

Shannon Rempel from the Aumsville Community Theatre requested to use the community center for their upcoming production, an Agatha Christy mystery, “And Then There Were None.” Ms. Rempel requested Sept. 15th through Oct. 20th. Council directed CA Harding to check the community center schedule to see if there are any conflicts and report back to them.

Walter Wick from the Corn Festival Committee asked Council to allow Hillyer’s to be the sole auto dealer sponsor for the festival and parade. The city has asked another auto dealer to donate the use of a vehicle to carry the Grand Marshal in the parade this year. After a lengthy discussion, Council concurred that the city would carry on with their plan for the Grand Marshal transportation. CA Harding suggested that the

Corn Festival Committee let Hillyer’s know that the parade is ran by the city and that government agencies cannot give exclusive sponsorships. The parade is a public event and the City cannot exclude business or persons.

Council approved:

- Consent Agenda: July 29, 2019 through August 1, 2019 check registers and the July 22, 2019 Council meeting minutes.
- Resolution No. 19-19 A Resolution Amending the 2019-2020 Fiscal Year Budget. CA Harding explained that this is a house-keeping issue that will allow an adjustment to the Street Fund to cover the final expenses of the Safe Routes to School project.
- Resolution No. 20-19 A Resolution Amending the 2019-2020 Fiscal Year Budget. CA Harding explained that this is an adjustment of the Street Fund for the repairs to the guardrail on Willamette Street.

CA Harding announced that our city is now a certified Storm Ready community. The designation provides that the city is taking certain steps to become informed about changes in weather; i.e. connection to weather notification services from several area and national resources; monitoring rain fall and river gauge readings; provide community-wide emergency awareness education; and we can put information out via Everbridge, which is a citizen emergency notification information system.

Housing rehabilitation program grant: CA Harding updated Council on the Manufactured Housing Rehab Community Development Block Grant. This is a joint grant with Stayton. This round is targeted toward

manufactured homes. We have two completed projects with the new grant. Both were in Windemere Meadows, and there are two more applications in process.

New park property: CA Harding reported that the 23+ acre land purchase is set to close on August 15th. He is working with Councilor Seney to review the documents.

CA Harding has talked to Marion County about the 11th St. crosswalk situation. They have had some staffing changes at the county in the public works department but are working on a crosswalk design and criteria to install a safety crossing on 11th Street. The county continues to work on these issues for the city, it’s just taking longer than expected.

Special Event Permit: CA Harding asked for Council input and direction regarding businesses outside the Corn Festival that are advertising vendor spaces on festival day, and it was discussed. Council discussed being able to set parameters for these events and that there should be an application fee but with reasonable guidelines. Council supports an option for a special event permit. Approved a motion to direct CA Harding to move forward with a Special Event Permit to allow outside events on Corn Festival weekend.

The meeting adjourned without prejudice at 7:54 PM.

Minutes – August 26, 2019

The meeting was called to order at 7:06 PM. Council present was: Councilors Bedwell, Case, Angelica, Purdy and Seney. Council absent were Mayor Clevenger and Councilor Casarez. City Administrator Harding (CA Harding), Public Works Assistant Director Etzel and City

Clerk Rogers (CC Rogers) were also present.

PRESENTATION: Riparian Restoration of Mill Creek – Meredith Hoffman from Marion Soil and Water Conservation District (MSWCD) gave a brief history of the project. She explained that Assistant Public Works Director Matt Etzel came to them for help with a water quality project grant. He had developed a plan to remove invasive blackberries and English ivy from the south bank Mill Creek east of West Stayton Rd. His plan included hiring corrections facility workers to reduce the growth of ivy and blackberries that were choking out trees. New trees have been planted and a maintenance plan is in place. Ms. Hoffman stated that Aumsville could

be a model department for other cities that have similar projects. She thanked council for having great employees. On behalf of MSWCD, she presented a check for grant funds of \$7500. She stated that they would love to partner with Aumsville again.

VISITORS: There were five visitors in the audience, and no one asked to speak during the public comment period. State Representative Raquel Moore-Green was also present as a visitor.

Council approved the August 8, 2019 through August 16, 2019 check registers and the August 12, 2019 Council meeting minutes.

CITY ADMINISTRATOR'S REPORT: Newsletter Distribution Discussion
CA Harding explained that we are

losing our newsletter deliverer. He told Council that he has been researching other ways to get our newsletter out to the citizens of Aumsville and still meet our Public Notice requirements. He explained that he would like to try one month of direct mail to see how it goes. Funding, electronic delivery, and the test run for a month was discussed. CA Harding asked Council how they would like him to proceed. Council concurred that a 90-day trial would be best; with a one-page survey in the 3rd issue to see what kind of reception we receive. State that it is a trial.

The meeting adjourned without prejudice at 7:48 PM

**Annual City of Aumsville
FALL CLEANUP DAYS!**

**Friday, Nov. 8th and Saturday, Nov. 9th
8 am to 4 pm**

The City of Aumsville and Recology Organics are teaming up to sponsor our annual Fall Clean Up Days as a courtesy for the citizens, business owners, and city staff of Aumsville – all FREE of charge*.

Recology Organics will allow you to bring your leaves and yard clippings to their facility for free Friday or Saturday; you may also use the attached coupon to pick up one free yard of organic compost. Please deliver compostable yard debris directly to Recology Organics (8712 Aumsville Hwy).

YARD DEBRIS ALLOWED:

GRASS TRIMMINGS
TREE BRANCHES (4" DIAMETER, 4' LENGTH MAX)
BUSH CLIPPINGS and WOOD WASTES are allowed!

*To drop off yard debris and/or pick up a load of organic compost free of charge, residents will be required to show a valid driver's license with an Aumsville city limits address; Aumsville business owners, a business card with an Aumsville city limits address; city staff, an official City of Aumsville business card.

FYI: Aumsville residents may use the leaf and yard clippings drop off for free year-round. Twice a year Recology offers a yard of free compost. They have currently gone to their winter hours: 8am to 4pm, Monday through Friday. Closed on the weekends.

CALL FOR ART!

We would like to showcase our local regional artists with a rotating gallery wall at City Hall. You need not live in Aumsville city limits. Student artwork also accepted!

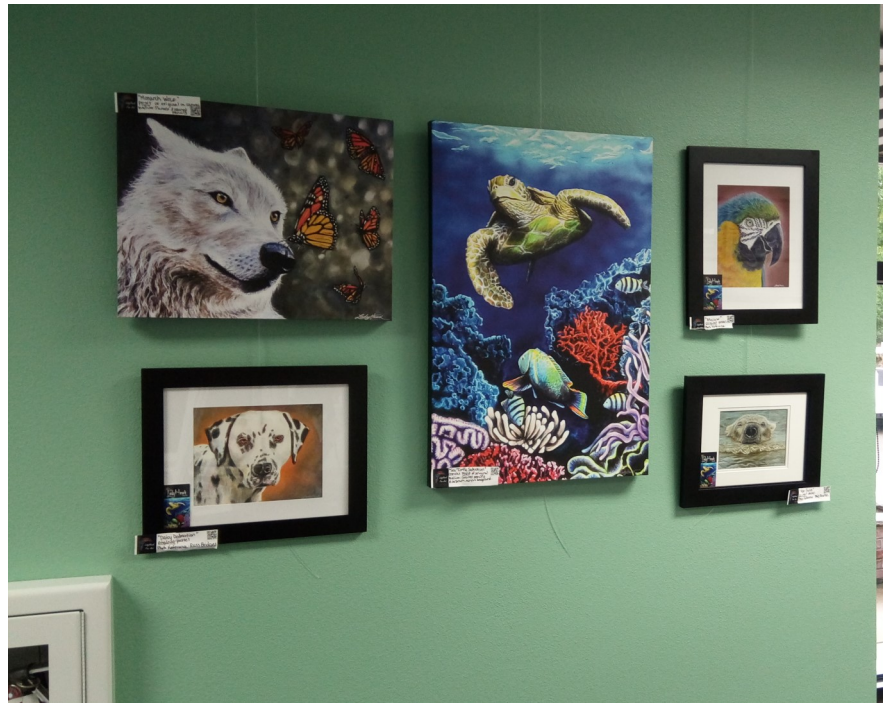

Criteria: family-friendly framed photography, painting, drawing, etc. Prints of original work are acceptable also. Sizing up to poster size. Artwork must be able to hang on a frame hook.

The artwork may be available for sale but customers must contact the artist for purchase.

For more information contact City Hall 503-749-2030 or come in and see us!

Come see the current artwork on rotation by LadyHawk and Gabriella Stutrud.

You can see more of LadyHawk's art on her Facebook page:
<https://www.facebook.com/ladyhawkfineart/>

The Cascade Student Council brought in cookies for the Aumsville Police Department on September 11th. They wanted to take the time to remember the tragedy of 9/11 and thank our first responders for all that they do.

ID TheftSmart™

The Federal Trade Commission estimates it will take **\$1,500, 6 MONTHS & 200 HOURS** to resolve an identity theft incident.

WE NOW OFFER 3 LEVELS OF ID THEFT PROTECTION TO MEET YOUR INDIVIDUAL NEEDS:

IDENTITY MANAGEMENT SERVICE - \$5/mo

- ID Theft Counseling
- ID Theft Restoration
- Self-Monitoring
(Credit monitoring not included)

SINGLE BUREAU CREDIT MONITORING - \$8/mo

- ID Theft Counseling
- ID Theft Restoration
- Monitoring of 1 Credit Bureau:
Experian

FULL CREDIT MONITORING - \$12/mo

- ID Theft Counseling
- ID Theft Restoration
- Monitoring of all 3 Credit Bureaus:
Experian, TransUnion, and Equifax
- ID Integrity Scan
 - Web Watcher Scan
 - Public Persona Scan
 - Address Aware Scan

There are multiple credit monitoring options on the market, but most will only alert you in the event you fall victim to identity theft. ID TheftSmart™ also provides you with a licensed investigator who will protect your personal information, detect fraudulent activity, and work on your behalf to completely restore your identity.

Don't wait to become a victim, get protected today.

TO SIGN UP, VISIT US AT OUR AUMSVILLE BRANCH!
