## CORN FESTIVAL THANKS

On Saturday August 17<sup>th</sup> residents and neighboring communities celebrated Aumsville's annual Corn Festival. The event attracted thousands of spectators; evident on their faces their enjoyment of the fun-filled day. The kickoff to the parade "Lions, Tigers and Uni-CORNS, oh my!" began with a display of drill mastery by the Shriner bathtubs. Then Josh Hoyer wowed the parade goers with a masterful rendition of our national anthem. The participants of the parade left the community in awe of the creativity they imparted on the parade theme.

Like years gone by, this year's Corn Festival had something to offer everyone and more. A new Corn Festival committee changed up the planning and arrangements of this year's events and many enjoyed

those changes.

The City encourages you to send us your feedback for the event.

Outside of Facebook, you are welcome to send me an email or stop by city hall and I will take your comments to our event debrief meeting.

It takes a dedicated group to make an event like the Corn Festival a reality. These types of events will always have aspects that are not always executed to everyone's liking, but it's that honest feedback that helps us understand and improve

for future years.

I would like to send out a big THANK YOU for all those who attended and volunteered for the Corn Festival and parade this year in Aumsville. It was a great time. Aumsville is truly a great place to live. See you next year!

Ron Harding, City Administrator

## MESSAGE FROM COMMISSIONER KEVIN CAMERON

It's hard to believe that summer is coming to a close. We often say that things slow down in the summer and that has certainly not been

the case this year. As a board, we appointed a new chief administrative officer, Jan Fritz, and a new sheriff, Joe Kast. Both are long time county employees with extensive experience and expertise in their respective professions.

We were also saddened by the passing of colleague, friend, and mentor Sen. Jackie Winters. While Sen.

Winters can never be replaced, my fellow commissioners and I selected Denyc Boles to fill the vacancy in Senate District 10. We subsequently selected Raquel Moore-Green to serve as the representative for House District 19, the seat vacated by Sen. Boles to accept the Senate District 10 appointment.

Both districts represent the Aumsville area and we look forward to working with both Sen. Boles and Rep. Moore-Green on issues important to the communities we serve.

To honor Sen. Winters' life and career, we are highlighting her important work around prison reentry services for the 11<sup>th</sup> annual "Giving People a Second Chance" Community Breakfast which benefits the Marion County Reentry Initiative (MCRI).

MCRI is a collaborative effort among community corrections, education, law enforcement, health, and non-

profit agencies working together to rebuild lives, promote community safety, and save taxpayer money by supporting those reentering our communities after release from prison.

The annual event raises funds to enhance services offered through Marion County Community Corrections and numerous nonprofit partners as they help newly released prisoners successfully transition back into our communities.

The event is open to the public and free to attend. Please let us know you plan to attend and we'll save you a seat: <http://bit.ly/2ndChancesMCRI>.

If you have questions about MCRI or other Marion County programs and services, please feel free to call the Board of Commissioners Office at (503) 588-5212 or email [commissioners@co.marion.or.us](mailto:commissioners@co.marion.or.us).

# Legislative Update

STATE SENATOR  
DENYC BOLES

What a wonderful summer we've had in the valley. I hope you all have had time to enjoy your gardens, the cooler morning weather, and our local fairs and festivals.

At the Capitol we are gearing up for September Legislative Days which will begin the 16<sup>th</sup> and continue through September 18<sup>th</sup>. During this time, we'll begin our committee assignments. I've been assigned to the Senate Housing and Development

Committee, the Joint Committee on Ways and Means, and the Public Safety Subcommittee. In addition, I will serve as Vice Chair of the new Senate Committee on Mental Health.

If you have additional issues or concerns that need individual attention, please don't hesitate to contact my office so we can schedule an appointment.

Sincerely,  
Denyc Boles  
Oregon Senate District 10

## STATE REPRESENTATIVE'S MESSAGE

Hello Aumsville!

You are an incredible community that I have watched and interacted with for several years now, and I am very honored to be your new State Representative! My name is Raquel Moore-Green, my husband and I have resided in my current house, in southeast Salem since the summer of 1995. We have raised two of our three children here and currently two of our 10 grandchildren also reside in Marion County.

Over the last several years I have worked along side then Representative Kevin Cameron, now Marion County Commissioner and most recently this past session on staff with the late Senator Jackie Winters. I am very familiar with this HD19, and look forward to knowing more!

This first month as State Representative have been a whirlwind. I am happy to announce that our office at the Capitol is up and running (you must come by!). Pam McClain is my Legislative Assistant (LA) and she is has helped me to focus on the various responsibilities as a new Representative.

Many of you may know Pam, she headed the Legislative team for Senator Jackie Winters beginning in 2011 after years as a successful small business owner. She has experience in the timber, automobile, and manufacturing industries. Her varied and successful business background combined with her experience as a legislative assistant will be invaluable. Pam and her family have lived and worked in the Salem area for 39 years, are active in the community, and are proud to live in HD19 as well.

I enjoyed participating in the Aumsville Corn Festival Parade with my family and having the opportunity to say hello to many of you. I recently had an opportunity as well to meet with your Mayor Derek Clevenger; as well as informally with two of your City Councilors Jim Case and Della Seney, and your City Manager Ron Harding during National Night Out in August. I plan to host "listening posts" this fall and look

forward to meeting many more of you and hearing about your goals and challenges with state government.

It is an honor and privilege to serve you at the State Capitol, please know my door is always open and I look forward to meeting you.

All my best, rmg  
Raquel Moore-Green  
Representative, HD19 South Salem,  
Turner, and Aumsville

# AUMSVILLE HISTORICAL SOCIETY

Aumsville Museum and History Center observed its tenth anniversary on August 10<sup>th</sup>. Aumsville Historical Society began in 1978, but activities ceased

after a few years. In 1995, it was re-organized. Some members expressed the desire to have a museum. Many people donated items for that purpose. The dream became a reality in 2009 when Aumsville City Hall and Police Department moved into its new building and the old brick building was leased to AHS.

An open house was held to celebrate the anniversary. Lorene Mathews, who now lives in Albany, MO, sent good wishes. She is well remembered for her many contributions to AHS and the city of Aumsville. She was one of the originators of the Corn

Festival Parade. Museum visitors included old friends, first timers and members of the historical societies in Sheridan, Turner, Mt. Angel and Silverton. There were mutually beneficial conversations about the management of small museums. Sharon Gross stopped by, enroute to her birthday party. Everyone sang "Happy Birthday" to Sharon and she was presented with a bouquet of freshly-cut dahlias.

Two of the first time visitors were retired teachers, who had taught at Aumsville Elementary. School annuals were opened and much to their

third grade teacher. One topic that many visitors mention is the 2010 tornado. It was one of those never-to-be forgotten days.

The next AHS meeting will be held on Thursday, October 10<sup>th</sup> at 6:30 pm in the community center. The museum will be open from 11 am until 2 pm on Saturdays until the end of October. Visits by appointment can be arranged. For information, please call Ted Shepard 503-749-2744 or Karlene Santibanez 503-749-2585.

490 Church Street, P.O. Box 247, Aumsville, Oregon 97325-0247  
 (503) 749-2894 – Fax (503) 749-2182 – Email [aumsville@aumsvillefire.org](mailto:aumsville@aumsvillefire.org)

Good Day, neighbor!

And just like that, it's back to school time! This means kids along the roads waiting for buses, or walking/ biking to school. Be on the lookout as you drive!

The Aumsville Fire District elected new officers for the year; the Board President is Robert Garrison, Vice President is Wayne "Dusty" Kuhl, and the Sec/Treasurer is Rachel Fellis. Congratulations on your elections! Also, we welcome new Board member Joshua Phillis to the Board.

It's never too early to mark your calendars for the annual Turkey Shoot Bingo. This year the event will take place on November 23rd here at the main station. Our goal is to do better than ever before, so bring family and friends and win turkeys for Thanksgiving!

September is typically very dry here in the valley. It also brings spectacular sunsets and long, pleasant evenings that people tend to enjoy with the ambience of a fire pit, campfire, etc. Please keep either a charged hose

or a 5-gal bucket of water nearby for safety reasons, and never go to bed with even minor coals or embers left burning.

Wish you could help but don't think you could be a firefighter? Come and see us! We have positions on our support team as well as truck driver positions that drive our water tenders to rural fires. We probably have a role you'd fit!

Have a safe month!

Chief Hari

# POLICE CORNER

Richard Schmitz, Chief of Police  
503-749-2188

## July 2019 Police Report

The reserves worked a total of 94 hours during the month of July: 94 volunteer hours and 0 paid hours.

I am happy to announce that the City of Aumsville has been designated as "Storm Ready." This rates the city as a lower insurance risk and reduces insurance rates on flood insurance.

During July we assisted the PARC program by giving a presentation about the Police Department during their Heroes in the Community. We also hosted the Camping in the Park event, handed our information on safe camping, emergency preparedness, and allowed the citizens to sample what an MRE tastes like (yum).

Last, we did a Pedestrian Crossing Enforcement to enhance pedestrian safety. During the four-hour enforcement, officers stopped nine crosswalk violators, citing two and warning seven. We also cited three suspended drivers, three uninsured drivers, two drivers for being on their cell phones, and one driver for no driver's license. In addition to the citations, officers issued 15 warnings for other misc. violations. We will continue these enforcements through August and into September. Please be aware and drive with caution. Thank you.

# AUMSVILLE CITY COUNCIL MINUTES

The following may not be complete minutes from these meetings. You can find the full approved minutes on our website at [www.aumsville.us/city-council.html](http://www.aumsville.us/city-council.html)

## AUMSVILLE CITY COUNCIL

Minutes – July 8, 2019

The meeting was called to order at 7:00 PM. Council present was: Mayor Clevenger and Councilors Bedwell, Casarez, Case, Ceja, Purdy, and Seney. City Administrator Ron Harding (CA Harding), City Attorney Chris Crean, and City Clerk Colleen Rogers (CC Rogers) were also present.

**VISITORS:** There were nine visitors in the audience and one asked to speak during the public comment period.

Joel Mathias, S. 8<sup>th</sup> St., addressed Mayor Clevenger. He commented that at one time the mayor had stated that there was a lot of corruption in town and wondered, now that he has been in office for six months, if he still finds that to be true. Mayor Clevenger couldn't recall commenting on the subject. There was no further discussion.

Council approved the June 24, 2019 through July 1, 2019 check registers and the June 24, 2019 Council meeting minutes.

**OLD BUSINESS:** Mayor Clevenger read by title only the second reading of Ordinance No. 668 AN ORDINANCE AMENDING THE SECTIONS OF ORDINANCES 405 AND 505 REGULATING THE CONSUMPTION OF ALCOHOLIC BEVERAGES IN CITY PARKS AND PUBLIC PLACES.

CA Harding provided a staff report reviewing the previous council meeting. He recounted that these are amendments that are required to allow the Corn Festival to move forward with a beer garden in a public space. We had our first reading of the ordinance at the June 24<sup>th</sup> Council Meeting and this is the second reading. Councilor Bedwell commented that he is not excited about the ordinance. He does like that the ordinance is well written, giving Council control of any future events that want to serve alcohol. CA Harding clarified that someone wanting to have a party at the park with alcohol would not be allowed. It must be an event that would be community-wide benefit. Councilor Casarez moved to approve the second reading of Ordinance No. 668 and adopt as presented. Councilor Ceja seconded. Motion APPROVED 5-2: (Yes:

Bedwell, Clevenger, Casarez, Case, and Ceja. No: Purdy and Seney).

The Corn Festival Memorandum of Understanding (MOU) was discussed. CA Harding told Council that the most significant change was the addition of item #15 that requires the Corn Festival Committee to give the city an after-event report. Councilor Ceja moved to approve the Aumsville Corn Festival MOU as presented. Councilor Casarez seconded. Motion APPROVED 7-0:

**NEW BUSINESS: NONE**

### **CITY ADMINISTRATOR'S REPORT:**

**Delinquent Water Shut-off Charge:** CA Harding explained the current process for charging fees on shut-off day and proposed a new process. The process would encourage customers to pay before they are shut off or at least come in and apply for an extension to pay on a later date. Thus, avoiding any interruption in service.

With this policy change the city will apply a \$30 disconnection fee at 9:00 AM on shut-off day to all accounts that have a past due amount over \$20.00. The fee will remain on their bill even if they pay before physically being shut off. They will receive a late notice after the 15<sup>th</sup> of the month for any unpaid balance owed. First-time delinquent accounts receive a warning via door hanger notice and will be given until 9:00 AM the next day.

CA Harding reported that a notice of the policy change will be posted to all current customers on the back of their next bill and we have also noticed it in the newsletter for the last two months.

**Aumsville Exchange Club:** The recently formed club has been very active and is having a positive impact on the community. They had a huge presence at the Super Hero Carnival on June 29<sup>th</sup>. They have been preparing the Friday lunch meals for the children's program and manning the concessions at the Movies in the Park events. They have also committed to volunteering for the Corn Festival and handing out flags during the parade.

CA Harding reported that Marion County is going to conduct a speed study on Bishop Rd. The city has been requesting this for several years. He stated that, once we have a recommendation, we will report back to Council.

**EXECUTIVE SESSION:** Council convened to the city hall conference room for the closed session at 7:39 PM under the authority of: ORS 192-660(2)(e), to carry on negotiations under ORS chapter 293 deliberation with persons designated by the governing body to negotiate real property transactions; and (f) to consider information or records that are exempt by law from public inspection. No decision was made in the Executive Session.

Council returned to the community center to Open Session at 7:55 PM.

**Executive Session Outcome:** Councilor Purdy made a motion to authorize the Purchase and Sale Agreement by and between AKAR, LLC and the City of Aumsville as discussed in Executive Session. Councilor Casarez seconded. APPROVED 7-0:

CA Harding clarified that the purchase is for a 22.5-acre parcel on the east side of Bishop Rd. SE that will eventually become a community park.

The meeting adjourned without prejudice at 7:57 PM

Minutes – July 22, 2019

The meeting was called to order at 7:03. Council present was: Mayor Clevenger and Councilors Casarez, Case, Ceja, and Seney. Council absent were Councilors Purdy and Bedwell. City Administrator Ron Harding (CA Harding), Public Works Director Steve Oslie (PWD Oslie) and City Clerk Colleen Rogers (CC Rogers) were also present.

**VISITORS:** There were 3 visitors in the audience and one asked to speak during the public comment period.

Aumsville Historical Society (AHS) President Ted Shepard invited the Mayor and Council to their 10-year anniversary event, celebrating the opening of the museum, on August 10<sup>th</sup> from 10:00 AM – 2:00 PM in the museum.

Council approved the July 8, 2019 through July 16, 2019 check registers and the July 8, 2019 Council meeting minutes.

**CITY ADMINISTRATOR’S REPORT: Wastewater Treatment System Presentation**

CA Harding talked about why we need a sewer system and how the US Environment Protection Agency (EPA) set the rules. Oregon Department of Environmental Quality (DEQ) is the state agency that we work with in complying with those rules.

The Aumsville Sewage Treatment Plant facility consists of two primary open lagoon cells with a total surface of 14.29 acres. The incoming sewage goes through a process that is regulated under a permit issued to the city by DEQ. Once this process is complete, the city is permitted to discharge the gray water.

Our aging lagoon system is unable to meet the EPA ammonia standard. In fact, it has never met the ammonia standards, but recently DEQ has prioritized a federal interpretation to say we must meet these standards. We are currently working with DEQ to form a Mutual Agreement Order (MAO) to give us a timeline to make the needed corrections to meet the standard and come into compliance. The MAO will help us with funding opportunities and possibly avoid civil penalties.

CA Harding stated that the city may have to move to a mechanical vs. lagoon system of wastewater treatment in order to meet the standards that the EPA and DEQ are imposing. He stated that whether we are able to stay with the lagoon system and make the needed upgrades, or we are forced by state agencies to install a mechanical system, we are looking at a large expense to the city.

CA Harding stated that his priority projects are focused on our water system.

He stated that he would like to move forward on cleaning up the million-gallon reservoir and adding an emergency generator. These projects are approximately \$500K. He let Council know that he is in the application process to submit for a USDA grant that will be a 30% matching grant. The city has enough matching funds to get these projects done. He went on to cite other critical water projects that will be needed soon: replacing old AC waterlines, drilling new wells or re-drilling existing wells, and adding another reservoir. We are looking at several million dollars to get these projects done. He pointed out that we still have to work out the wastewater facility demands to deal with over the next few years that could cost \$15M or more, depending on what DEQ decides.

The meeting adjourned without prejudice at 8:43 PM

**GRASS AND WEEDS**

**PUBLIC NOTICE**

No owner or person in charge of property shall allow noxious vegetation to be on the property, or in the right-of-way of a public thoroughfare abutting the property. An owner or person in charge of property shall cut down or destroy grass, shrubbery, brush, weeds or other noxious vegetation as often as needed to prevent them from becoming unsightly, from becoming a fire hazard, or in the case of weeds or other noxious vegetation, from maturing or going to seed.

**Noxious vegetation is a nuisance in our community.** The city is willing to remove the nuisance of a particular parcel of property at the request of the owner or person in charge of the property for a fee sufficient to cover the city's abatement costs. Even in the absence of such requests, the city may abate all such nuisances 10 or more days after the final publication of this notice and charge the cost of doing so on a particular parcel of property to the owner or person in charge of the property itself.

**Your cooperation is much appreciated, especially by our police and public works departments whose duty it is to enforce our nuisance ordinance.**

# ID TheftSmart™

The Federal Trade Commission estimates it will take **\$1,500, 6 MONTHS & 200 HOURS** to resolve an identity theft incident.

**WE NOW OFFER 3 LEVELS OF ID THEFT PROTECTION TO MEET YOUR INDIVIDUAL NEEDS:**

**IDENTITY MANAGEMENT SERVICE - \$5/MO**

- ID Theft Counseling
- ID Theft Restoration
- Self-Monitoring  
(Credit monitoring not included)

**SINGLE BUREAU CREDIT MONITORING - \$8/MO**

- ID Theft Counseling
- ID Theft Restoration
- Monitoring of 1 Credit Bureau:  
Experian

**FULL CREDIT MONITORING - \$12/MO**

- ID Theft Counseling
- ID Theft Restoration
- Monitoring of all 3 Credit Bureaus:  
Experian, TransUnion, and Equifax
- ID Integrity Scan
  - Web Watcher Scan
  - Public Persona Scan
  - Address Aware Scan

There are multiple credit monitoring options on the market, but most will only alert you in the event you fall victim to identity theft. ID TheftSmart™ also provides you with a licensed investigator who will protect your personal information, detect fraudulent activity, and work on your behalf to completely restore your identity.

Don't wait to become a victim, get protected today.
