

**We invite you to be a part
of the 56th Annual
Aumsville Corn Festival
August 17th, 2024**

The 2023 Corn Festival, a state wide heritage event, brought in the biggest crowd and the largest amount of vendors that the Corn Festival has ever seen. With over 90 vendors ranging from food to goods for purchase, there was something for everyone.

Thanks to the many generous sponsors, we are able to keep entry to the event free for the 6,000+ attendees. With proceeds from Corn Festival 2023, the city was able to distribute over \$17,500.00 to local non-profit service groups!

Please accept this invitation to continue to offer a free entry event for thousands of people, benefitting our local community!

**CALL NOW – and secure
