- **Special events are limited to 4 events per year on any specific private or business property.**
- **Applications shall be submitted no later than 30 days prior to the scheduled event. Applicants are encouraged to submit their applications as soon as possible to allow time for review and to allow you time to gather necessary supporting documentation.
- This temporary business license/special events application is intended to provide the City of Aumsville information it needs to evaluate your application, especially as it relates to public health and safety. If you feel that a question does not apply to your event, indicate so by writing “not applicable.”
- Have you met with the residents, businesses, places of worship, schools, and other entities that may be directly impacted by your event? If yes, please attach a complete list of these entities. The list shall be provided prior to the issuance of your permit. The City requires that adjoining property owners, residents, and businesses be notified at least one week prior to your event.
